“Girl Scouting rises within you and inspires you to put your best foot forward.”

— **JULIETTE GORDON LOW,**
FOUNDER OF GIRL SCOUTS

Check out page 9 of the Camp Guide to see how you can get ready for camp this summer!

Notes from Kim

Hello Girl Scouts!

Each year at this time, I look forward to reading the upcoming Camp and Program Guide and imagining all the adventures you will have at our exciting camp properties or on our traveling camp trips. Can you see yourself on an adventure with us this summer?

Imagine making friends on the first day of camp. Maybe you will be riding and caring for horses at All About Horses week at Camp Laughing Waters (pg. 36). Or maybe you’re ready to get back to nature and camp in the woods during Wilderness Adventurer at Camp Wood Haven (pg. 53). Or maybe you picture yourself trying out a half-week program at any of our resident camps and snuggling into your sleeping bag surrounded by bunkmates for the very first time. The best part is that you don’t have to imagine it—you can do it all at Girl Scout camp this summer!

With four magnificent resident camps and three convenient day camps, no matter where you live in our council, there is a GSEP camp near you. Did you know that Camp Mountain House is only 15 minutes from Allentown and Center Valley? And Camp Shelly Ridge is less than 30 minutes from most of Philadelphia and Montgomery County? Even though it’s only a short drive away, Girl Scout camp is a place where girls can escape from the ordinary, connect with friends, try something new, and discover who they are.

And let’s not forget that before camp season gets here, it’s time for COOKIES! Proceeds you earn through Cookies can help pay for your way to camp! Flip this guide over to read the 2023 Girl Scout Cookie Program Family Guide, which has all the important info you’ll need for a great cookie season! Girls succeed when families get involved, and there are plenty of ways for families to be part of the legendary Girl Scout Cookie Program.

You’ll also want to check out the Spring 2023 Program Guide starting on page 66 to find programs that you can do as family, with your troop, or as an individual Girl Scout.

No matter what you see yourself doing this spring and summer with Girl Scouts, I know you will grow and feel confident in the new skills you have learned and the new friends you have made. I can’t wait to see you at camp!

Yours in Girl Scouting,

Kim E. Fraites-Dow
Chief Executive Officer
Girl Scouts of Eastern Pennsylvania

Our Vision

At Girl Scouts of Eastern Pennsylvania, we strive to provide camps and programs that build girls' leadership, confidence, independence, and community. Our camps are committed to providing opportunities for girls from all nine counties in our council, creating and connecting a diverse community that helps campers unlock their potential and discover the world, while developing life skills and making memories and friendships that last a lifetime.

Our Program Philosophy

We believe everything that happens at camp is part of the camp experience. Our campers have wonderful adventures. They try new things, build confidence, and make new friends. They also spend time away from their families in a new environment, both through our day camps and overnight at our resident camps. During this time, they learn to be part of a community, to make decisions together, to take responsibility for their actions and their surroundings. They participate in "kapers" to keep camp areas clean and organized, share responsibilities at camp cookouts, and support each other through new challenges. In our safe and supportive environment, girls become active participants in the learning process.

The best camps are ACA accredited, just like all GSEP camps!

American Camp Association accreditation shows a commitment to high quality programs, safety standards, and best business practices. To learn more about ACA, visit acacamps.org.

Why Camp is Important

A recent survey conducted through the advocacy of our friends at the American Camp Association, of which we are a member organization, finds that camps build necessary skills to prepare campers to assume roles as successful adults. Parents, campers, and camp staff independently reported growth in areas such as self-confidence, independence, making friends, exploring, and learning new activities. Summer camp is not only tremendously fun, but it is vitally important. Here are just a few reasons why:

- At camp, girls get a close-up look at the compassionate leadership practiced by our camp staff. And girls get loads of opportunities to practice being a leader by voicing their feelings, making individual choices, and negotiating group decision-making.
- Campers develop a sense of security and self-confidence that will help them develop a strong sense of self, form healthy relationships, take risks, and learn from mistakes.
- Camp embraces the natural environment and allows girls to unplug from their busy lives and experience the outdoors.

A Note About Safety

Nothing is more important than the emotional and physical safety of our campers. Our programs are designed to allow campers to take healthy risks in a safe and nurturing environment. Our enthusiastic staff receive extensive training before camp and are chosen for their maturity, energy, and ability to be positive role models for your child. All of our camps have received ACA Accreditation. This year, health and safety is at the forefront of our planning. GSEP served over 3,000 Girl Scouts with in-person summer camps in 2022. We remain committed to following the most up-to-date COVID-19 guidance and will communicate specific plans for summer 2023 as we get closer to the start of camp.

Day Camps

Day campers visit the Trading Post once a week. Counselors send home a flyer on Mondays with what's available and directions for sending money with your camper. Day campers can use cash, Adventure Credits, or Gift Certificates for their purchases.

Resident Camps

Resident campers visit the TP at least once during the camp week and must make TP Deposits for purchases made Monday–Thursday. All TP Deposits should be made in MyGS or our shops at least two weeks in advance of your camp start date.

- Deposits travel with your camper across weeks or camps! There's no need to pick your camp week when making your deposit in MyGS.
- At pickup, campers are informed of their available balance. You can visit the Trading Post during pickup to use up your balance.
- Deposits are not refundable. When summer ends, we'll email you with your available balance and give you some options for using it.

The Trading Post is also open during drop-off and pick-up for families to shop together. Our staff will not be able to answer your questions during drop-off; please send any questions you may have to memberservices@gsep.org with the subject line "Trading Post".

How To

Use Cookie Dough at the Trading Post

- Day Campers—send a note instead of cash with the amount to spend. The TP staff will apply the Cookie Dough to the purchase.
- Resident Campers—Complete your transaction at one of our shops or email memberservices@gsep.org with the subject line "Cookie Dough for Trading Post" to let us know how much you would reserve for use in Trading Posts.

Use your Trading Post balance from a previous year

- You don't have to do anything! Your balance is still available.

Use Trading Post Deposits at Day Camps

- Indicate on your envelope that your camper has a TP Deposit. Our staff will confirm and apply the TP Deposit to the purchase.

Use a Gift Certificate from previous years for a Trading Post Deposit

- Visit a shop or email shop@gsep.org with the subject "Gift Certificate for Trading Post." Please include a picture of the Gift Certificate or the GC number found in the lower right corner of the certificate.

Camp Scholarships & Financial Aid

Thanks to the generosity of our donors, financial assistance for GSEP summer camps is available to all girls who qualify.

Funds for financial aid as well as camp scholarships are available and awarded on a first come, first served basis. We encourage you to apply early for the best chance of securing funds.

Additionally, Girl Scouts Get Started general financial aid assistance is a one-time only benefit. Regular participation in the Cookie Program enables girls to continue their Girl Scout experience now and in years to come by earning Cookie Dough that can be used for membership renewal, program and camp registration, and to get their Girl Scout gear at GSEP shops and camp Trading Posts. As girls grow, so do their opportunities to earn older girl credits that can be used for travel, membership, and to support their silver and gold award projects.

Step 1: Financial aid applicants are required to register and pay the \$50 deposit using the Program/Event Registration system to secure your camper's spot.

Step 2: After securing a spot, a general financial aid or campership application **MUST** be submitted in order for your request to be completed. Please see application links below:

bit.ly/gsep-fa-application

bit.ly/gsep-fa

Please allow at least a four-week turnaround time from the date your application was submitted. You will be notified by email of acceptance.

GS Events | Tips and Tricks

Check out the event tab in your MyGS Account for all important event details.

1. Use our council event calendar or event list on gsep.org for direct links to registration.

You can find our event calendar by going to gsep.org > Events > Event Calendar and clicking on the event and then the green title to register!

Additionally, you can find events using our event listing by going to gsep.org > Events > Event List. Then, find the event you are looking for and click on the green title to register!

2. When using the events search feature in GS Events, always use the zip code associated with the location where the program is taking place.

Why? The search feature within gsEvents is based off of the zip code associated with the location of the event (even virtual events have a zip code—see *note below). If you search using YOUR zip code, your search will result in programs only around you, causing you to miss out on opportunities that may interest you!

For example, say an event is happening at Camp Mosey Wood and you input YOUR zip code to search—if you live farther than 90 miles from camp, you will not be able to see that event when you search for an event within gsEvents.

**Virtual Events use the zip code of our Shelly Ridge Service Center—19444*

Events hosted at our camp locations will be associated with the zip code for the camp address:

- » Laughing Waters—19525
- » Mosey Wood—18661
- » Mountain House—18103
- » Shelly Ridge—19444
- » Wood Haven—17963
- » Valley Forge—19481

3. Event registration screen not allowing you to complete your purchase?

Don't forget that you must ALWAYS check the box on the right-hand side of the screen to accept the Girl Scout Promise and Law—every time you submit an event registration!

4. Events Offered by Other Councils

If you live within 90 miles of another Girl Scout council, you may see events offered by other councils if you do a zip code event search. If that council is inviting members from outside their council to participate, you are very welcome to register and participate! You can select “view only events in my council” when you search for events in MyGS to see only Girl Scouts of Eastern PA events.

5. Register for multiple events at once!

GS Events allows you to add multiple events to your cart and check out all at once! Simply find the events you would like to register for and individually add them to your cart. Then, when you are done adding events, go back to your cart and checkout!

Optional search parameters:

Keyword—we recommend using quotes around your keyword, which will only return events with the quoted words.

Date range—you can list the same date in both range text boxes if you are searching for an event on a specific date.

Event focus—this search filter allows you to quickly find the specific type of event you're looking for (ex: Highest Awards).

Grade level—this parameter will limit your search results to those that match the grade(s) selected.

Need assistance with event registration? Give us a call at 215-564-2030 or email us at memberservices@gsep.org. Our Customer Care team would be happy to assist you.

Take the Lead

Take the Lead is GSEP's signature fundraising event series, held annually in Berks County, the Lehigh Valley, and Greater Philadelphia.

Unique to GSEP, Take the Lead is a girl-led event that enables girls and women from the community to forge long-lasting mentoring relationships designed to teach girls the skills they'll need to become the leaders of tomorrow. As always, our Girl Scouts are the stars of the show, serving in many capacities including hosts, emcees, chorus, and presenters.

Take the Lead supports GSEP's programs, which encourage girls to discover a strong sense of self, connect with others, and take action to improve their communities.

Registration is now open for a variety of Take the Lead roles available for girls in grades 2-12.

Choose the girl leadership opportunity you are most interested in. Cost of the program is \$5 per girl, which includes a Take the Lead patch and rocker, snack at the rehearsal, and dinner at a Take the Lead event. The dates for the events are listed below and there will be an additional rehearsal prior to each event. Check out gsep.org for details.

Registration Information

Girls can participate in any day program individually (unless otherwise noted), with a group, or as a troop. Special efforts are made to welcome all girls. Please note, while we may be able to accommodate additional adults in certain situations, program space is reserved for girls.

Program registrations are accepted online. GSEP does not accept registrations by phone.

Registration for GSEP programs and events is now through your MYGS account!

Visit gsep.org and click on the “Events” tab. You can look for events via the Event Calendar or the Events List. Click on the event and you will see event details as well as a link to register. You can even put multiple events in your shopping cart! Once an event is in your cart, just return to the event calendar or list and pick the next event--it's that easy.

You can also search for events right from your MYGS account. Log in with your username and password and then select FIND EVENTS. You can enter your zipcode to search for events near you, or enter the zipcode of the event location to find it. You can also narrow your search by selecting additional criteria. IMPORTANT FOR PARENTS, GUARDIANS & VOLUNTEERS

- Adult spaces in programs are intended only for the number of adults necessary to meet the girl-adult ratios, unless otherwise indicated. Chaperoning adults are free unless otherwise indicated by a per person or per adult price for the program. All adults must be registered for the program.
- All girls attending a program or event must be registered Girl Scouts. Girls new to Girl Scouts can register as a new member online at gsep.org through MyGS.
- Council-sponsored programs are designed for specific age/grade levels. Please only register for programs that are in your age/grade level.
- Leaders, parents, and guardians must make arrangements to leave other children at home. Additional children and/or family members are not permitted to attend any GSEP program.
- All GSEP Sponsored Programs: According to Volunteer Essentials, all volunteers participating in the Girl Scout movement shall meet GSUSA membership standards, which include committing to the Girl Scout Promise, accepting the Girl Scout Law, and registering annually through the Council as members of the Girl Scout movement. Effective January 1, 2014, prior to registering for all programs sponsored by GSEP, adults who are interested in attending must have a current membership. This applies to all of the programs advertised in Spark or via the GSEP website or other communication. Cost of registration is \$25 and is in addition to the cost of the program. Adults can register online.
- Trips & Overnight Programs: According to Volunteer Essentials, when girls go on trips and overnight programs, the group must have at least two unrelated, registered, cleared, and trained adult volunteers. Adults who attend overnight programs or share GSEP property at the same time girls are in attendance need to be cleared and registered to ensure the utmost safety of the girls. Effective
