*Wouldn't it be terrible? Wouldn't it be sad?  
If just one single color was the color that we had?  
If everything was purple? Or red? Or blue? Or green?  
If yellow, pink, or orange was all that could be seen?  
Can you just imagine how dull our world would be if  
Just one single color was all we got to see?  
We could all learn a lot from a box of crayons... they are all  
different but they exist quite nicely in the box together.*

## **Art Project: Daisy Affirmations**

*15 minutes*

1. Pass out a paper plate, flower center, pencils and 14 petals to each girl.
2. Have girls glue the flower center to the middle of their plate and write their names on the center.
3. Say: We all like to hear nice things about ourselves. We are going to make something for you to take home to remind you how all of your sister Daisies feel about you. Fill out a petal for each girl in your group. It can be a picture of how they make you feel or words that describe them. Please remember that all petals must be positive and they cannot be about how someone looks.
4. After 10 minutes, they exchange them and glue the petals that describe them onto their paper plates.
5. Use yarn and masking tape to make a hanger on the back of the plate.

## **Clean-up and Evaluations**

*10 minutes*

1. Return all the supplies to the right places.
2. Make sure that all girls have their flowers

## **Ceremony and Next Steps**

2. Briefly explain what the girls have been learning in regards to being good friends, identifying bullying behavior, and how to advocate for themselves and others.
3. Facilitators call each girl up separately. Girl shares what she learned in Daisy Friendship Circle.

## **Closing**
