GIRL SCOUTS ANNOUNCE 2019 TAKE THE LEAD LEHIGH VALLEY HONOREES

Girl Scouts of Eastern Pennsylvania Girls to Present Awards at Signature Fundraising Event Presented by PPL Electric Utilities

PHILADELPHIA (NOVEMBER 14, 2018) — [Girl Scouts of Eastern Pennsylvania](#) (GSEP) is hosting its annual Take the Lead Lehigh Valley event, where it will recognize four distinguished women from the community. Take the Lead is a girl-led ceremony that highlights GSEP's mission to build girls of courage, confidence, and character, while honoring women leaders whose work and achievements exemplify these values.

"We look forward to our Take the Lead program every year," said Kim E. Fraites-Dow, Chief Executive Officer of GSEP. "This signature fundraising event honors our community's most distinguished women whose leadership and professional achievements make a significant impact in our region, and on the lives of our close to 40,000 girls and 15,000 adult volunteers."

Unique to GSEP, Take the Lead enables girls and women from the community to forge long-lasting mentoring relationships designed to teach girls the skills they'll need to become the leaders of tomorrow. Four deserving high school aged Girl Scouts will have the opportunity to shadow an honoree for a day, reflect on the experience, and present her with a Take the Lead award at the event, attended by 500+ community leaders.

This year, GSEP will recognize the following women:
