

Half-week Resident Camp Programs At-a-Glance

Perfect for girls who are ready to explore their first overnight camping experience. Most programs are designed for campers entering grades 1–3; Camp Tweedale also offers sessions for girls entering grades 4–7. All programs combine themed projects and traditional camp activities to acclimate girls by letting them do what they already love, and introduce new interests that will keep them coming back for more!

Resident Camp Programs At-a-Glance

Girls of all age-levels will enjoy one-, two- and three-week programs that include advanced activities for seasoned campers looking for new challenges, favorite activities for younger girls who are ready to go it alone for a week, and intensive horse- and leadership-training. All themed-programs give girls the chance to enjoy traditional camp activities. Girls will spend at least one weekend at camp during multi-week sessions.

Nine-day Programs At-a-Glance

Girls entering grades 6–12 will enjoy intensive activity that hones in on their greatest interests and skills, but also gives them the chance to explore new challenges. Most nine-day programs involve some level of travel, so girls remain at camp during their sessions.
