Troop Leader: All currently registered girls in the current membership year can earn and receive a **Bring a Friend** patch. Please share this patch program with all girls in your troop. This is a great way to invite new girls to experience all of the positive aspects that Girl Scouts has to offer!

A girl can earn a patch if:

- ❖ She brings a friend to a troop meeting or activity and the friend joins Girl Scouts.
- ❖ The friend was not a registered Girl Scout during the previous school/membership year.
- ❖ The troop leader submits the friend's registration form and attaches the form below.

IMPORTANT FOR LEADERS! Return this completed form with the new Girl Scout's membership registration form to the address above in order to receive the Bring-a-Friend patch. The patch will be mailed directly to the girl who brought a friend. Please provide the following information for the girl receiving the patch:
