

Brownie Bugs Badge

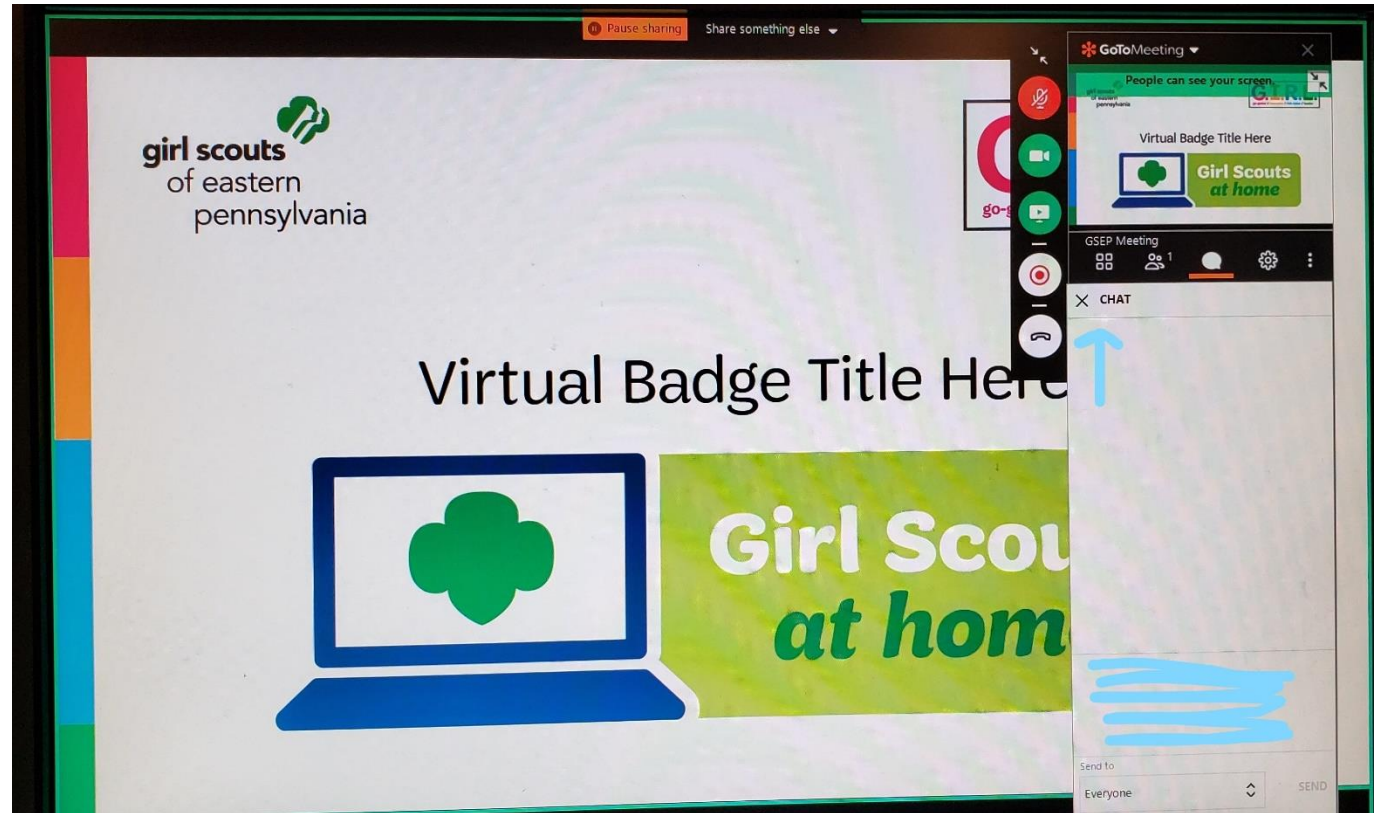

While you are waiting, grab your materials:

- a box you can use to make a Bug House- could be a shoe box, a tissue box, an ice cream container, a gift box, etc, but you will need to be able to cut openings and/or poke air holes
- scissors
- netting, masking tape (both optional)

How will this Virtual Troop Meeting Work?

- On the right side of your screen, there is a control panel. You should see a microphone, a video camera and a chat bubble.
- When we sing together, you will want to click on your microphone so it is green. Then everyone will be able to hear you.
- If you have a webcam, clicking on it will let everyone else in the meeting see you too.
- The Chat Log looks like a cartoon thought bubble...see it underlined in red? You can type questions or comments into the chat log and everyone will be able to see what you write!

A wooden signpost with many arrows pointing in different directions against a blue sky. The signpost is made of a dark wooden pole with several horizontal wooden arrows attached to it. The arrows are weathered and point in various directions, some straight out, some angled upwards or downwards. The background is a clear blue sky with a few wispy clouds at the bottom.

Meeting Norms:

- Staying muted unless asked to unmute by the presenter***
- Only using the chat log for VTM related messages***
- Use of appropriate language during VTMs***
- Behavior modelling the GS Promise and Law***
