NOTE: For security reasons, GSEP does not publish the address of its camps. The address and directions will be provided in your confirmation packet or email memberservices@gsep.org. Put “Camp Directions” in the subject line.
Looking to host a leadership retreat, corporate training, team-building, or social event? With our six locations across Eastern Pennsylvania, GSEP is sure to have the perfect place for you. Visitors enjoy a variety of indoor and outdoor meeting areas, comfortable accommodations, and unique outdoor venues for groups large or small to pursue physical, spiritual, and educational interests. Our highly trained staff will work with you to create the perfect meeting, conference, or social gathering for the outcome you envision.

Contact us for availability at campfacilities@gsep.org!
If you’re like me and my daughter, you start planning your summer wish list and activities in January. (That’s why we publish GSEP’s Camp Guide in December.) School, sports, friends, and yes…even social media compete for your time and attention. It’s not easy to intentionally accommodate everything.

But Girl Scouts doesn’t have to be an either/or. Instead, I like to say that Girl Scouts is an and/must. When you participate in Girl Scouts programming, you develop leadership skills that can be used at school, on the playing field, and when faced with challenging social or emotional situations. Girl Scouts are leaders wherever they are.

The Girl Scout Leadership Experience encourages you to discover more about yourself and be confident in who YOU are. It also provides unique opportunities to meet new girls, and to learn from each other’s experiences. And, together you will be inspired to take action to make a difference in the world—all in a girls-only, girl-led environment.

When you participate in Girl Scouts programming, we know you will benefit in five key ways... you will:

- Develop a strong sense of self,
- Display positive values,
- Seek challenges and learn from setbacks,
- Form and maintain healthy relationships, and
- Learn to identify and solve problems in your community.

Along the way, you’ll gain access to exciting programming and develop important skills in:

- Science, technology, engineering, and math (STEM)
- Outdoors
- Life skills, and
- Entrepreneurship.

At Girl Scouts you’ll experience new adventures in a girl-led environment that puts YOU on a path to a lifetime of leadership, adventure, FUN and success.

This guide is jam-packed full of fun programs built to unleash your inner Go-Getter, Innovator, Risk-Taker, and Leader (G.I.R.L.). For example, you’ll learn how you can change the world by solving problems with female engineers (Engineer Girls on May 20th) or earn your Woodworker badge (Creative Carpenters on April 13th) and you’ll build confidence and independence by trying something new, taking risks, and GROWING at camp this summer (check out all the amazing programs in the Camp Guide.)

As you flip through this guide and flag your favorites, think about how Girl Scouts can be your and/must. We can’t wait to see what you decide to try...and we will be with you through your journey every step of the way! Go change the world, G.I.R.L.s!

Yours in Girl Scouting,

Kim E. Fraites-Dow

Something’s different!

You might have noticed that this Camp Guide/Program Guide is a bit slimmer than usual. We’ve decided to pull out the Camp Guide/Program Guide and print Spark Magazine once a year in the summer so we can report on all the great things you’ve accomplished during the membership year. You’ll receive a Spark Magazine along with the fall/winter Program Guide in August. If you have any great ideas for stories, or if your troop is doing something amazing that we should include in the magazine, contact us at communications@gsep.org.

Notes from Kim

Here I am with three G.I.R.L.s: Gabriella P., and Arianna and Gianna M., speaking to Shawnette Wilson, a local reporter.
