

Daisy “Clover” Dark Green Petal

Girl Scouts
at home

How will this Virtual Troop Meeting Work?

- On the right side of your screen, there is a control panel. You should see a microphone, a video camera and a chat bubble.
- When we sing together, you will want to click on your microphone so it is green. Then everyone will be able to hear you.
- If you have a webcam, clicking on it will let everyone else in the meeting see you too.
- The Chat Log looks like a cartoon thought bubble...see it underlined in red? You can type questions or comments into the chat log and everyone will be able to see what you write!

Welcome to GSEP's Virtual Daisy Program

**Clover's
"Use Resources Wisely"
Petal**

The Girl Scout Promise & Law

**On my honor, I will try:
to serve God
& my country,
to help people
at all times,
& to live by the
Girl Scout Law.**

Promise

**I will do my best to be
honest & fair, friendly & helpful,
considerate & caring,
courageous & strong,
& responsible for what I say & do,
& to respect myself & others,
respect authority,
use resources wisely,
make the world a better place,
& be a sister to every Girl Scout.**

Law

In this session,

Clover will help us learn

how to use our resources wisely!

Clover's Story

A Visit to the Busy, Buzzy Bees

When I've earned
my Clover petal, I will
know how to
use resources wisely,
just like Clover.

Let's start with
Clover's story!

To earn your
Clover petal, do
these three things.

1.

Enjoy "Clover's
Story," then talk
about it

2.

Make an earth
friendly craft

3.

Practice being
resourceful

Clover's Story

A Visit to the Busy, Buzzy Bees

The sun had just appeared in the sky when the Flower Friends woke up and got ready for another fun day. Chatting and laughing, they each helped wash Lupe's petal-powered car.

"I love it when the car looks all shiny and clean in the sun," Zinni said.

"And Clover's idea to collect rainwater in pails means we don't waste water," Vi added. "That was smart, Clover!"

Clover blushed. "I'm happy any time I can think of ways to use things wisely," she said. "Now let's go on our trip. I can't wait to give you a tour of my friend Henry's honeybee garden!"

Clover hopped into the driver's seat of the car. The petal-powered car ran on flower power. Every part of the flower helped the car go! A few minutes later, the Flower Friends arrived at the garden.

Clover and her friends headed over to a patch of beehives.

Swarms of black and yellow honeybees flew around them.

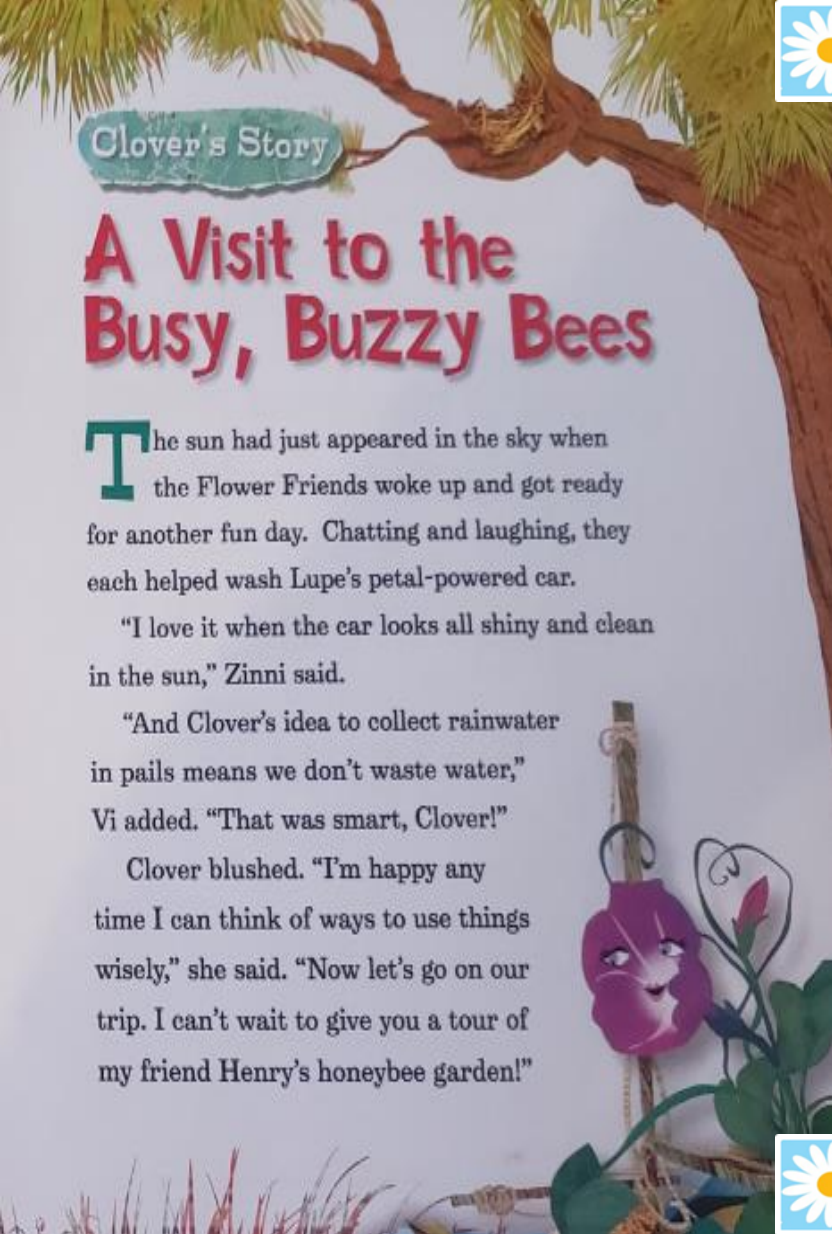

"The honeybees live in hives," Clover explained. "But they love to fly around outside, too."

"How do bees make honey?" Zinni asked.

"First, bees gather nectar from plants and flowers," Clover told them. "Then they store it in a honeycomb to make honey."

One of the honeybees flew by. "We love buzzing around the flowers," she said. "And we like turning flower nectar into something sweet to eat."

Buzz!
Buzz!
Buzz!

Just then, Clover's friend Henry flew over,
carrying several jars.

"Hi, Clover" Henry said.

"I have a **surprise** for you.

Since you always help me take such good care of
the garden, here is some honey for you and
your friends."

"Thanks, Henry!"
Clover said.

"What should we do with our honey?" Zinni
asked Clover.

Clover thought for a moment. "I know," she
replied. "Let's throw a tea party when we get back!"

Back at the garden, Clover called the other Flower Friends over.

"Hey everyone!" Clover called out.

"We brought some **honey** back from the beekeeper's garden.

We can use the honey in our tea. And we can make a honey dip using our leftover yogurt and apples," she added.

"That's a great idea," Gloria said. "It's smart to use our leftover food instead of throwing it away—and the dip will be tasty, too."

"Thanks for taking us to visit the beekeeper's garden, Clover," Vi said.

"I'm glad you had fun," Clover said.

A few bees flew past their table. They were flying to the Daisy Flower Garden.

"**And thank you** for making our honey," Clover called to them.

Let's talk about Clover's story!

How did Clover use resources wisely?

What do you think would have happened to the leftover yogurt and apples if Clover hadn't suggested making a dip?

When have you been resourceful? Can you think of other ways to be resourceful?

toilet paper roll BIRD FEEDER

Items you will need:

- * Bird seed
- * Peanut butter
(or alternative, if allergic)
- * Twine or lightweight rope
- * Popsicle stick
- * Empty toilet paper
or paper towel rolls

HELPFUL TIPS:

1) Reduce waste

TURN OFF water while brushing your teeth!

**Let's launch
what you learned
into starting
to use resources
more wisely!**

2) Reuse when you can

Think about what you throw away!

Can you help your family use leftovers to make another meal?

3) Recycle

Especially glass, which stays in trash dumps FOREVER!

**We hope you enjoyed
Clover's adventures!**
