Introduction

We are so excited that you are working on your Gold Award! The GSEP Gold Award Handbook is a reference for you as you continue to work towards your goal. You should also be using the GSUSA Girl Guidelines from the GSEP or GSUSA website or the guide in the Senior or Ambassador Girl's Guide to Girl Scouting. There are various workshops, information sessions, and online tools to help you understand the Gold Award and help you develop your project. For up-to-date information check our website: http://www.gsep.org/ girls/what-girls-can-do/awards/.

Standards of Excellence

The Gold Award is the Highest Award a Girl Scout can earn. A national award with national standards, it represents the time, leadership, creativity, and effort girls contribute to making their communities better. This means that you are responsible for writing, developing, and implementing your Gold Award Project Proposal, turning in your paperwork, scheduling your interview and final presentation, and contacting the Gold Award committee with your questions.

If at any time you have questions about the Gold Award please contact us:

You can work on your Gold Award during your Girl Scout Senior and Ambassador years. The process is year-round. Once you have completed the prerequisites you can get started and submit your proposal when it is convenient for you.

FOR CURRENT 12TH GRADERS

Your Gold Award project must be completed before you become a Girl Scout Adult. Follow the deadlines below will ensure you earn the prestigious Gold Award.

Submit your Gold Award proposal no later than May 1st of your 12th grade year.

This allows you enough time to get feedback, conduct an interview, complete your project, and submit your final report before bridging to a Girl Scout Adult.

Submit final report and conduct your final presentation by September 30th, following your high school graduation.

If you are starting a post secondary education or program, plan to complete it at least two weeks prior to starting your post secondary program.

Be sure to save your forms as you type and submit all forms to:

Gold Award Take Action Project

Project Proposal

Your Gold Award Take Action project uses your talents and skills to address an issue of personal interest to you. Be creative and try something new!

Successful Gold Award Take Action Projects

- · Take a suggested minimum of 80 hours.
- Address an expressed community need outside of Girl Scouting.
- · Benefit a suggested minimum of 10 people, if a program is delivered.
- Have a volunteer team of 5 or more non-related people to help you reach your goal; reach out to people beyond your family.
- · Last beyond your involvement with the project.
- Can include a small collection of items to address your issue (i.e. personal hygiene products for a shelter, canned pet food for SPCA, etc.)
- Follow Girl Scout Safety Activity Checkpoints and copyright laws.
- If a girl delivers a program, she needs to schedule a minimum of 10 hours of program, which doesn't include the set up and clean up time.
- The project cannot be a one-day or one-time event.

Writing Tips

- · Include as many details as possible: who, what, when, where, why, and how
- If you are making a physical item: describe the item you are making, how many will be made, who will receive them, who will help you make them, how many sessions and amount of time for each session, etc.
- If you are doing a program: how many people do you plan to serve, what will you do at the program, where will you hold the program, when will you hold the program, how long will each session last, etc.
- · YOLO-'you only live once', so be sure to use real words not texting or other shorthand throughout your Gold Award Project, BYKT-'but you knew that '!
- Give your Project Proposal to someone who knows nothing about your project and ask if they have any questions about the project before you submit it to council. Incorporate the answers to those questions into your Project Proposal.

GSEP Gold Award Proposal Attachments

The GSEP Gold Award Attachments (Budget and Timeline) are to be completed and submitted with your proposal and your final report. This form can be found at http://www.gsep.org/girls/what-girls-can-do/awards.

A project does not meet the Gold Award criteria if it:

- · Benefits Girl Scouts.
- · Raises or earns money for an individual, organization, or cause.
- · Is based on established initiatives (example: pillowcases for ConKerr Cancer).
- Is a collection project.
- · A girl volunteers for the agency that benefits from the project.

Budget

What supplies will you need to complete the project that could cost money? Use this form to help you plan for expenses. How do you plan to meet these costs?

Example Budget

SUPPLIES	QUANTITY	ESTIMATE COST
2"x4"x8' of wood	12	\$47.64
Screws	Box of 200	\$8.00

How to get the supplies you need:

- · Use your own money.
- · Ask for donations of time and materials from friends and family.
- · Hold a small collection asking for materials and supplies.
- · Get donations of materials and supplies from businesses; use an official GSEP donation letter.
- · Ask the site or organization which will benefit from the project if they have money or supplies to support the project.
- · Charge an admission fee to cover the cost of the project without making a profit.
- · Use GSEP Adventure Cookie Credits.
- · Hold a council approved Money-Earning Activity to fund your project. The troop must agree that profits can go toward your project. Specific details can be found in Volunteer Essentials.
- · A girl cannot conduct an individual money-earning project other than a family yard sale.
- A girl or adult cannot seek or accept cash donations from the public.

Working With a Budget

List the supplies you will need to reach your goal and that you could spend money on as you work on the project.

Think about:

- How much of each item will you need?
- · How much money will it cost?
- · How will you pay for it? (Note if you own it or will borrow it)

HOW TO REQUEST SUPPLY DONATIONS FROM A BUSINESS

- Locate the template for the donation letter on http://www.gsep.org/girls/ what-girls-can-do/awards.
- Fill in the letter. Write a separate letter for each business.
- Print two copies of each letter: one to give to the business and one to use in your final project binder.
- Sign and deliver the letter to the business. Keep the other copy for yourself.
- Thank the business! Let them know how your project made an impact!

Girls who complete their final presentation after February 1 will be recognized at the next year's celebration.

Add your accomplishment to your resume, secondary education applications, your business card, etc. Join the Gold Award Alumni on Face book and the Gold Award Alliance. Young Women of Distinction is the designation given by GSUSA to the top ten Gold Award Recipients each year. The GSEP Gold Award Committee reviews all of the Gold Award Take Action projects submitted and selects projects to forward to GSUSA. Young Women of Distinction are recognized at a ceremony held in Washington, D.C. or at the GSUSA National Council Session.
