Introduction

We are so excited that you are working on your Silver Award! The Silver Award is the Highest Award a Girl Scout Cadette can earn. A national award with national standards, it represents the time, leadership, creativity, and effort girls contribute to making their communities better. You are responsible for writing, developing, and implementing your Silver Award Project proposal, and contacting council with your questions. There are various workshops, information sessions, and online tools to help you understand the Silver Award and help you develop your project. For up-to-date information check the website:

**a checklist to CREATING A SUCCESSFUL TAKE ACTION PROJECT**

When coming up with a proposal for your Silver Award Take Action Project, keep these things in mind:

- If a girl delivers a program, she needs to schedule a minimum of 7–10 hours of program, which doesn't include the set up and clean up.
- Make sure the project takes a minimum of 50 hours to complete.
- The project must benefit a group or community outside of Girl Scouts.
- The project must benefit a suggested minimum of 10 people.
- Recruit and lead a volunteer team of 2-3 people to help you reach your goal; reach out to people beyond your family.
- Can include a small collection of items to address your issue (i.e. personal hygiene products for a shelter, canned pet food for SPCA, etc.) A collection cannot be a project focus.
- Follow Girl Scout Safety Activity Checkpoints and copyright laws.
- The project cannot be a one-day or one-time event.

The project DOES NOT meet the Silver Award requirements if it:

- Benefits Girl Scouts
- Raises or earns money for an individual, organization, or cause
- Is a collection project
Project Proposal

Section 1: Girl Scout & Troop Leader Information
Be sure to fill out all your information. If you are not in a troop, put the information for the adult that is helping you.

Section 2: Prerequisites
In order to begin the Silver Award, you need to complete a Cadette Journey. Be sure to read the Silver Award guidelines to develop your project and ensure that it meets the Silver Award requirements.

Section 3: Silver Award Take Action Project
- Silver Award – fly solo or become part of a group? The Silver Award can be completed as part of a Silver Award group or alone. Groups can be 2, 3, or 4 girls. If you are flying solo that means you are the only Girl Scout earning the Silver Award with this project. Every girl or group of girls must recruit and train a team of 2–4 non-related volunteers. If 3 girls work together on a group project, they need to recruit a minimum of 6 volunteers who are not related to anyone earning the award.
- Project Title: What's the name of your project? It's your project -- be creative!
- Provide a descriptive overview of your project. Tell us what you plan to do and who will help you do it. The Silver Award Take Action project goes beyond service. You Take Action to meet a need with the community. Read steps 5 and 6 in the GSUSA Silver Award Guidelines.
- Tell us the why, who, and where of your project. Be specific. What is the issue and why does it matter to you and to the community? Who will benefit from your project? Where is it going to take place? Include the name and full address. Need more tips? Read steps 2, 4, 5 in the GSUSA Silver Award Guidelines.
- Your strengths, talents, and skills. Tell us about your personal characteristics that you will put into motion or develop through this project.
- Supplies. What supplies will you need to complete the project that could cost money and how do you plan to meet these costs? Attach a copy of your budget.
- Timeline. What tasks do you need to complete your project? Who will help? How much time will it take? What date will you complete it? Attach a copy of your timeline.
- Sign and submit your proposal.
- Once your project is approved by the Silver Award Committee, you can put it into action!

Writing Tips:
Include as many details as possible: who, what, when, where, why, and how:
- If you are making a physical item: describe the item you are making, how many will be made, who will receive them, who will help you make them, how many sessions are needed to make the item, the length of each session, etc.
- If you are doing a program, how many people do you think will attend, what will you do at the program, where will you hold the program, when will you hold the program, how long will each session last, etc.
- YOLO -- ‘you only live once’, so be sure to use real words not text lingo, BYKT -- ‘but you knew that ’!

When working as a group of girls earning the Silver Award, each girl should:
- Have the individual opportunity to share her skills and talents.
- Submit an individual proposal and reflection; please submit around the same time so they can be reviewed together.
GSEP Silver Award Approval Process

Submit your Silver Award proposal 4-6 weeks before you want to put your project in motion. The Silver Award project proposal is an online process. All projects must be approved by council before you start. The Silver Award process is year round and you can submit your proposal at any time.

Complete your proposal online by accessing the application at [http://www.gsep.org/girls/what-girls-can-do/awards/](http://www.gsep.org/girls/what-girls-can-do/awards/). Receive approval or make revisions and receive approval. Start your project!

Budget

While your Silver Award is in progress you will need to keep track of your project budget and timeline. Use the budget to write what supplies you bought, how much it cost and who paid for it or who donated it.

**How to get the supplies you need:**

- Use your own money.
- Ask for donations of time and materials from friends and family.
- Hold a small collection for materials.
- Get donations of materials from businesses; use an official GSEP donation letter.
- Ask the site or organization which will benefit from project if they have money or supplies to support the project.
- Charge an admission fee to cover the cost of the project without making a profit.
- Use GSEP Adventure Cookie Credits to purchase supplies.
- Hold a council approved Money-Earning Activity to fund your project. The troop agrees that profits can go toward your project. Specific details can be found in Volunteer Essentials. A girl cannot hold an individual money-earning activity other than a family yard sale.
- A girl or adult cannot seek or accept cash donations from the public.
