

Financial Badge Workshops at GSEP Shops!

Now your troop can complete steps toward financial badges in the GSEP shop of your choice! We'll host your troop for an hour long meeting with a member of our retail staff. All families attending get 10% off their purchases, and we have a special discount for the troop leader. And all attending Girl Scouts will receive a "I Love My GS Shop" Patch!

Troop leaders should email retail@gsep.org or contact a store associate to set a time and date for their meeting; workshops can be held in afternoons, evenings and Saturdays. All troops must meet girl-adult ratios for their group and all adults and girls must be current registered Girl Scouts. *Earned badges are not included.*
