The Women 100 HERstory Hunt at Independence National Historical Park is a hands-on women's history scavenger hunt that encourages Girl Scouts to go beyond the traditional telling of history to uncover underrepresented women's contributions of the past.

Three hunts are open to Brownies and Juniors (both hunts on April 4, and the 10AM hunt on April 18), and three hunts are open to Cadettes (1PM hunt on April 18, and both hunts on April 25). All troops must meet girl/adult ratios. *Includes patch.

These Women 100 HERstory Hunts are created in partnership with Drexel University's Vision 2020, Girl Scouts of Eastern Pennsylvania and Independence National Historical Park.

Registration information will be available in the December Program Guide.

Toast to Tenacity™

Wednesday, August 26, 2020

On this date 100 years ago, women in America won the right to vote through the passage of the 19th Amendment to the U.S. Constitution. August 26th is recognized annually as Women's Equality Day, and to celebrate, Vision 2020 will host its Toast to Tenacity to honor the suffragists who fought for this right and to encourage women to shape the future by exercising their right to vote.

Troops can participate in the Toast to Tenacity on August 26, 2020, in three ways: 1) attend the big celebration on Independence Mall that day with Vision 2020, Washington Memorial Chapel and Independence National Historical Park, 2) host their own complementary toast using Vision 2020's event toolkit, or 3) post on social media a photo or video of themselves raising their glasses of grape juice – just as the suffragists did 100 years earlier – and using the hashtag #ToastToTenacity. Cheers! To learn more about Women 100 events in 2020 visit www.women100.org

UNLADYLIKE2020 Short Film Screenings

Starting in March 2020

UNLADYLIKE2020, a Vision 2020 Allied Organization, is an innovative multimedia series featuring 26 documentary shorts about little-known American heroines from the turn of the 20th century, who were trailblazers in then-male dominated professions including business, science, politics, journalism, exploration, aviation, and the arts. In honor of the 100th anniversary of women's suffrage, the series will be released digitally on PBS' flagship biography series American Masters from March 4, 2020, Women's History Month, to August 26, 2020, Women's Equality Day, and as a television hour on American Masters July 10, 2020. Troops can use UNLADYLIKE2020's screening kits to organize viewing parties and discussions. GSEP will also host viewing parties at camp. Watch the trailer at www.unladylike2020.com and sign up for the e-newsletter for project updates.
