

Initial Orders

As Initial orders begin to be picked up this weekend, please see the following reminders:

- Double check your pickup location/date/time in Smart Cookies. This can be viewed by going under Orders – Troop Initial Order – then scroll to the bottom where your pickup details are listed.
- In an effort to keep social distancing guidelines and ensure everyone’s safety and wellness, truck drivers will not assist with loading cookies onto cars, please bring help from your household if needed.
- Bring a pen with you to sign paperwork.
- Please be patient as we navigate this very different cookie season and maintain social distancing.
- There will not be a make-up day for picking up initial orders so it’s imperative that orders are picked up at the designated location and date.

Girl Pre-Orders

Cookie Season Pre-Orders will be allowed, starting on January 7th, for two weeks prior to the start of the Cookie Program on January 21st.

During this timeframe, girls may take orders, without exchanging money, in order to gauge sales. This will allow Troop Cookie Manager to have a better idea for placing a Planned Order as the season starts on January 21. The Smart Cookie credit card function will not be available during the Pre-Order timeframe, girls may use their paper order forms or fill out receipts.

Unplanned Cookie Stations

Unplanned Cookie Stations will be available for troops to pickup cookies without an advance order. Troops may come during specific hours to pickup up to 50 cases of cookies at one time. Inventory is not guaranteed. Addresses for each location can be found on the Planned Order Station Schedule located in [TeamApp](#).

Dorney Park	Saturdays from 8am to 10am
Hughes Relocation Services	Thursdays 12pm-5pm and Saturdays from 8am to 10am
Valley Forge Service Center	Thursdays 12pm-5pm and Saturdays from 8am to 10am
Shelly Ridge Service Center	Fridays 3pm to 8pm

Planned Order Stations

The Planned Order Station Schedule has been uploaded to [TeamApp](#). Please note that Artsquest will not be available this year and Oxford Valley Mall has been moved to Sesame Place (same location as previous years).

Girl Access to Smart Cookies

Due to an unfortunate error in the original upload of girls into Smart Cookies, we are resetting and erasing all girls from Smart Cookies. We will be doing a fresh upload the week of January 11. Girls who have already registered and created an account in Smart Cookies will receive a new registration link and a new account will need to be created. All new registration links will be sent from noreply@abcsmartcookies.com. **Troops and Troop Cookie Managers will not be affected in this reset.**

The Product Program Team will be hosting a series of Zoom meetings to give tutorials on how to use Smart Cookies and prepare for what will be a different cookie season than we are used to. Please join us on Thursday, January 14 at 7:00 pm.
