

1. Q: Do the in-person meeting guidelines pertain to adults as well as girls?

A: Yes! All in-person meetings have maximum number of participants set. For adult volunteer or Service Unit meetings, those same guidelines must be met. Additionally, adult committees and volunteer groups should defer to virtual meetings whenever possible, and only meet indoors in person on an essential basis (sorting supply kits, reduced access to technology, etc.). You must also adhere to the guidelines if you decide to have in-person recruitment events.

2. Q: What about GSEP committee meetings?

A: Meetings of council-sponsored volunteer committees (Alumni, History, Communications, etc.) will continue to be held virtually, and requests for in-person meetings will be considered and approved on a case-by-case basis. Please contact your council representative to discuss this.

3. Q: Do Troop Leaders need to submit a form to the SUM whenever they change a meeting location or time?

A: Troop information, including meeting location, is documented within the MYGS system per GSEP guidelines. As always, if meeting location, days or times change, please log in to your MYGS account, click you *Troop* tab, scroll to the bottom and click VIEW/EDIT TROOP INFORMATION to update and SAVE your information. Staff will update the information within 2 business days.

If your meeting location will change frequently due to COVID-19 and you are unable to document multiple locations, please submit a case noting the multiple locations (please use subject: Troop ### multiple meeting locations) and this will be on file with your troop record. Submission of forms for troop meeting changes is temporarily suspended.

For day trips/troop activities, please continue to use the GSEP Day Trip permission form as per guidelines. Reminder, in the current COVID-19 guidelines, carpooling and traveling outside of your county, is not permitted.

4. Q: Does GSEP have a waiver that can be provided to troops for use?

A: GSEP's strong suggestion is to maintain meetings virtually. If troops decide to hold in-person meetings, troops may use the [GSEP COVID-19 Liability Waiver](#). Review the GSEP guidance with all families at your parent meeting and have all sign and submit the form or confirm via email. Troop leaders should maintain record of this. Copy of these waivers do not need to be submitted to GSEP.

5. Q: Are troops and Service Units permitted to do fundraisers?

A: According to Volunteer Essentials, Troop and Service Unit fundraisers are not permitted to take place during the fall Product Program, which starts on October 16th and ends on November 16th. Additionally, external fundraisers cannot compete with GSEP-sponsored product program sales. Please speak with your SUM if you have questions about whether your proposed fundraiser meets the GSEP guidelines. For any approved fundraisers, follow the same COVID-19 guidance for in-person activities.

6. Q: If girls (volunteers) have existing health issues, do they have to wear masks?

A: In accordance to the PA Department of Health, if an individual cannot wear a face covering due to a medial or mental health condition or disability, GSEP will require the individual to wear a face shield.

Please keep in mind that, according to the GSEP Volunteer COVID_19 Guidance, we recommend making all decisions based on your most cautious members. If members of a troop have medical conditions that preclude wearing a mask, GSEP recommends virtual meetings. A doctor's note is not required.

7. Q: Will there be a temporary opt-out process for troop size during COVID-19?

A: No. Please follow the standard GSEP Opt Out process for all requests.
