We would like to start 2021 with a message of gratitude to you, our committed supporters. Over the past year, the pandemic has changed a lot in a relatively short time. We are grateful for your continued support, and for helping us celebrate our 23rd annual - and first virtual - Take the Lead Lehigh Valley! This past year, we shifted quickly to remain engaged with the girls, their families, and our volunteers by creating innovative virtual programs and events including Girl Scouts@Home, Camp@Home, and most recently, our virtual Cookie Program!

We are thrilled to recognize the leadership of our outstanding 2021 Take the Lead honorees: **Senator Lisa Boscola, Victoria Brifo, Fusun Bubernack, Lin Erickson and Dr. Deborah Sundlof**, who represent women's leadership and provide the example that will encourage our girls to continue to effect change in themselves, our communities, and our world.

Take the Lead is our largest fundraising event and more important this year than ever before. By participating in this virtual event, you share our commitment to raise critical funds for Girl Scouting in Eastern Pennsylvania. Our goal is to provide all girls in our region, regardless of barriers, real or perceived, with the Girl Scout Leadership Experience (GSLE) and to be able to share opportunities to learn and thrive in a girl-led, all-girl environment where girls feel empowered to explore their full potential and discover a strong sense of self.

As in previous years, our Girl Scouts are excited to participate in the festivities and serve as event hosts, presenters of awards to our fantastic honorees, chorus singers, and event curators. Take the Lead would not be possible without their months of hard work and preparation. Girls who participate in Take the Lead gain valuable skills in leadership, project and time management, networking, and presentation skills. Take the Lead participants have the confidence to see themselves at colleges and in professions that encourage their growth while making the world a better place.

Thank you again for your support,

Dear Friends,

Welcome to Girl Scouts of Eastern Pennsylvania's Take the Lead 2021. This year, it is our privilege to honor five strong women: Lisa Boscola, Victoria Brifo, Fusun Bubernack, Lin Erickson, and Deborah Sundlof. Through her leadership and achievement, each woman demonstrates what it means to be a Girl Scout and we thank you for joining us in celebrating their courage, confidence, and character.

I started Girl Scouting as a Brownie in first grade and then went on to be a Girl Scout through middle school. I have held onto a treasure box of keepsakes from my girl scouting days including my badge books, sashes, camping gear and other mementos that remind me of all the good memories and valuable lessons I learned as a Girl Scout. I am proud to be Take the Lead Chair and strongly believe in the value the Girl Scouts provide to our community, our country, and around the world. This past year has been filled with challenges. Thanks to the dedication of Girl Scouts of Eastern Pennsylvania, our girls were able to stay connected during this unprecedented year. Girls participated in virtual troop meetings, earned badges online, attended Camp@Home, and flexed their entrepreneurial skills, setting up virtual cookie booths for the first time ever!

Even though our Girl Scouts have been dealing with the pandemic and all its challenges, they have continued to find ways to give back to their communities. Girls have made masks for frontline healthcare workers, written letters to isolated elderly people in retirement facilities, and organized food and supply drives for the increased number of families with economic challenges. Your support of Girl Scouts through Take the Lead creates opportunities for girls to learn and grow while gaining experience as empathetic leaders along the way.

Thank you for your support and for attending our first ever virtual Take the Lead Lehigh Valley event. Your involvement and commitment to our mission underlines the enduring impact Girl Scouts has in building the next generation of women leaders who are changing the world for the better.

Sincerely,

*Stephanie Sherry*

**Lin Erickson**

*Executive Director and CEO*  
Da Vinci Science Center

Lin Erickson has been the Da Vinci Science Center's Executive Director and CEO since March 2013 after serving as its Executive Director previously from 1997-2005. As the Center's Chief Executive Officer, Lin also is a member of its Board of Trustees.

Lin's second tenure as CEO has included years of record-breaking visitation and program and event participation; an expansion of its educational and community partnerships; a formalization of its efforts to support current and future female professionals in the STEM fields – science, technology, engineering, and mathematics; and increased emphasis on high impact programs with career connections for underserved students. She is currently leading the development of a major new science center in downtown Allentown.

During her first tenure as CEO, Lin established the organization as an independent nonprofit corporation and a regional leader in science education. # TAKE THE LEAD

## QUOTES FROM LEHIGH VALLEY

Due to COVID-19, Take the Lead Lehigh Valley 2020 in-person events had to be canceled.

This didn't stop our amazing honorees and Girl Scouts from meeting up and speaking with each other, albeit virtually! Three videos were created for the event, one of which took an in-depth look at our shadow day program, which pairs honorees with Girl Scouts to mentor them for a day. The purpose of the videos was to raise awareness about the event, our sponsors, and, most importantly, the honorees and girls.

While the event was canceled, all our honorees had the opportunity to connect with girls and teach them about their careers and leadership.

“

Judge Banach makes the world a better place, one case at a time. I left feeling inspired.

**Megan H.**

*TTL 2020 Lehigh Valley Girl Presenter*

“

When you step back and realize that younger people are looking to you to determine their path, it makes you want to do the very best that you can.

I think girls need to know that they can be girls who become women who can become successful. I think that's what's so important about Girl Scouting. Girls supporting other girls.

**Judge Kelly Banach**

Common Pleas, Ret.

For somebody like me, it's a wonderful opportunity to revitalize my sense of enthusiasm and excitement about the upcoming generation of female leaders.

“

In the 8 years that I have been involved with the organization, I can tell you first-hand that I have seen girls grow and develop. I think it's an outstanding leadership program for girls.

“

When you see these young girls who are so involved with Girl Scouts, they're good students, they have these dreams, they want to go to college, they know what they want to do. I find it heartwarming to see that and to see a younger generation that's really amazing.

The women that have been honored over the years are so incredible. It made me feel good to be counted among them.

# CHORUS SING-ALONG

## "STAND TALL"

*Julie and the Phantoms*

### Verse 1:

Don't blink  
No, I don't want to miss it  
One thing, and it's back to  
the beginning  
'Cause everything is  
rushing in fast  
Keep going on, never look  
back

### Pre-Chorus:

And it's one, two, three,  
four times  
That I'll try for one  
more night  
Light a fire in my eyes  
I'm going out of my mind

### Chorus:

Whatever happens, even  
if I'm the last standing  
I'ma stand tall, I'ma  
stand tall  
Whatever happens, even  
when everything's down  
I'ma stand tall, I'ma  
stand tall  
I gotta keep on dreaming  
'Cause I gotta catch  
that feeling  
Whatever happens, even  
if I'm the last standing  
I'ma stand tall, I'ma  
stand tall

### Verse 2:

Right now, I'm loving  
every minute  
Hands down, can't let  
myself forget it, no  
'Cause everything is  
rushing in fast  
Keep holding on, never  
look back

### Pre-Chorus:

And it's one, two, three,  
four times  
That I'll try for one  
more night  
Light a fire in my eyes  
I'm going out of my mind

### Chorus:

Whatever happens, even  
if I'm the last standing  
I'ma stand tall, I'ma  
stand tall  
Whatever happens, even  
when everything's down  
I'ma stand tall, I'ma  
stand tall  
I gotta keep on  
dreaming, 'cause I gotta  
catch  
that feeling  
Whatever happens, even  
if I'm the last standing  
I'ma stand tall, I'ma  
stand tall

### Bridge:

Like I'm glowing in  
the dark  
I keep on going when it's  
all falling apart  
Yeah, I know with all  
my heart  
Ooh, ooh  
Never look back

### Chorus:

Whatever happens, even  
if I'm the last standing  
I'ma stand tall, I'ma  
stand tall  
Whatever happens, even  
if I'm the last standing  
I'ma stand tall, I'ma s  
tand tall  
Stand tall  
Stand tall  
Whatever happens, even
