Dear Friends of Girl Scouting,

As we gather for the Girl Scouts of Eastern Pennsylvania’s “Take the Lead” event, there’s a feeling of emerging from the shadows back into the light. With the shutdowns and incalculable losses of COVID hopefully behind us, it feels wonderful to be able to celebrate our girls’ accomplishments “live and in person” again, and to share with you, our valued supporters and champions, the opportunities that exist for you to help further our work.

The four honorees at this year’s fundraiser represent a breathtaking array of talent, inspiration, and achievement that make them, among other things, ideal role models. We can’t wait for you to meet them, and hear from four exceptional Girl Scouts just what they learned spending time with each of these remarkable honorees. They are women whose careers are marked not just by success, but by commitment, integrity, and service to others.

Meanwhile, whether it be the challenges of the pandemic or the struggles of those seeking social justice, we’ve learned over the last couple of years that our world can be a daunting place.

Yet when you spend time, as we do, with the young women for whom the Girl Scouts is a place of friendship, learning, bright futures, and unlimited potential...you realize that our world is, on the contrary, a place of shining possibilities.

We offer enormous, heartfelt thanks to all our supporters past, present, and future. Please know that, whichever skill-enhancing, character-building, or just plain fun Girl Scouts program, activity, initiative, or event your funding is applied to – yes, including camping! – your dollars are supporting the mission of building girls of courage, confidence, and character – girls who are making the world a better place.

As, indeed, are you.

Warmly,

Dear Friends,

Welcome to Girl Scouts of Eastern Pennsylvania's (GSEP) 2022 Take the Lead. It is our privilege to have you at the event this year. This program gives us the opportunity to demonstrate that participation in Girl Scouts is for every girl—from every community in the Lehigh Valley.

Girl Scouts has always been about giving all girls a level playing field – a common soil in which to take root, grow, thrive, flourish, and bloom into young women of purpose and leadership.

**At Girl Scouts, every girl belongs.**

However you choose to underwrite GSEP's work, and in whatever amount, you are making it possible for GSEP to remove economic barriers for so many girls right here in this community, right now. With your investment, we can provide aid for deserving girls who could not otherwise afford the amazing experiences she will have in Girl Scouts. GSEP maintains more than 1,000 acres of beautiful camp properties, provides transportation to and from summer camp, recruits and trains qualified troop leaders, offers uniform vouchers to girls in need, provides enriching programming that cultivates life skills, and even supplies scholarships to participants to pursue higher education and alternative education paths.

As investors, philanthropists, and leaders in our community, we can all recognize and appreciate an organization that is committed to a vitally important cause and directs their funding in a truly meaningful way. GSEP exemplifies both these attributes, and your support demonstrates that you share in their commitment to their mission.

Please listen closely to the heartening words you will hear tonight, and to the wonderful girls you will meet. Each of them is representative of the growth and the achievements of which every girl in our region is deserving. With your help, they will have it.

Sincerely,

*Marlene*

COMMONWEALTH OF PENNSYLVANIA  
OFFICE OF THE GOVERNOR

**GREETINGS:**

It is my pleasure to join with the Girl Scouts of Eastern Pennsylvania to welcome everyone gathered for the 2022 Take the Lead fundraising event. This special event honors significant women of leadership within the community.

Women of every age, race, ethnicity, and economic background have made historic and significant contributions to the growth and strength of Pennsylvania. For years, women have dedicated themselves to pursuing their talents while also using various platforms to inspire individuals throughout the commonwealth. It is with great hope that the women being recognized by Take the Lead of Lehigh Valley are filled with pride for the work they have done to lend a voice of inspiration to the community. The commonwealth is truly privileged to have significant women of leadership as an example of fortitude, commitment, and passion. I am certain that the women being honored by the Girl Scouts of Eastern Pennsylvania will represent the commonwealth with great honor and distinction for many years to come.

As Governor, and on behalf of all the citizens of the Commonwealth of Pennsylvania, I am honored to recognize your considerable accomplishments. Please accept my best wishes for an enjoyable event continued success.

### "Make New Friends"

---

*Traditional Girl Scout Song*

Make new friends, but keep the old.  
One is silver, the other is gold.

A circle is round, it has no end.  
That's how long, I want to be your friend.

A fire burns bright, it warms the heart.  
We've been friends, from the very start.

You have one hand, I have the other.  
Put them together, we have each other.
