

# Introducing the HERstory Hunt

Join Vision 2020 on Women's Equality Day for a women's history scavenger hunt!

Saturday, August 26, 2017

10:30 a.m. – 1 p.m.

Independence National Historical Park  
599 Market Street  
Philadelphia, PA 19106

The 19th Amendment, which gave women the right to vote, was passed on August 26, 1920 – a day we now observe across the country as Women's Equality Day.

Celebrate this Women's Equality Day by participating in the Vision 2020 HERstory Hunt, where you can join friends and family members in finding the places where women have served as leaders or important historical figures.

Following the scavenger hunt, you are invited to join the Vision 2020 Toast to Tenacity™ to honor the suffragists whose action and courage paved the way for future generations.
