

MyGS, your Girl Scout Member Community, is a one-stop shop to renew Girl Scout membership online, update your contact information and make sure your volunteer roles are correct. To access your MYGS account, go to www.gsep.org and click on MyGS.

How to renew your family:

Renew all the members of your family at one time! The process has never been faster or easier:

1. Login to your MyGS account. Need help? Check out our Logging into MyGS guide, located on the renew page.
2. Click Member Profile, and enter your login information.
3. Select the Membership tab.
4. In the upper right hand corner, make sure you have selected Next Year in the drop down box.
5. For each member you would like to renew, select Renew from the drop down under the Renewal Choice column. (**NOTE:** If you select "Do Not Renew," you will not be able to renew the individual at a later time. Select "I'll Decide Later" for members that are not currently renewing.)
6. If you are adding a new girl or adult member to your household, select from the drop box at the bottom of the page and click Go. Once their profile information is added, click Continue.
7. Enter payment information, review your order and print your itemized receipt. You're all set for next year!
