

Her next step, powered by Girl Scouts!

Calling all rising Kindergartners and First Graders interested in Girl Scouts! Take your next step towards a lifetime of adventure by joining our Daisy Launch Program! This is a fun-filled introduction to Girl Scouts where girls will learn about the outdoors, talk about courage, and learn the significance of being part of the Girl Scout sisterhood! All girls will receive their very first patch when they complete this program.

There is power in every G.I.R.L.

Girl Scouts are big thinkers, groundbreakers, and role models. They design robots, start garage bands, and improve their communities. Are you ready to take the lead...like a Girl Scout?
