TROOP REGISTRATION Only approved troop leaders/co-leaders can register current troop members using the troop management feature.

PAYMENT Payment for all programs is due in full at the time of registration. Space will not be held for any registration forms submitted without the full payment amount that is due.

REFUNDS Requests for refunds must be submitted in writing to memberservices@gsep.org at least four weeks in advance of the program date for consideration. Refunds are not issued for "no shows" (registrants who do not attend).

Refunds are not issued for cancellations occurring less than four weeks in advance or if numbers are reduced less than four weeks prior to the event.

CANCELLATIONS GSEP reserves the right to cancel an event due to insufficient registration, acts of nature, or other reasons beyond our control. In the event a program is canceled, a full refund will be issued.

Weather-related cancellations: A GSEP staff member will contact you if a program will be cancelled due to weather. When possible, the event will be rescheduled or a refund issued.

For cancellations in advance, email notification will be sent to each registrant. For same day cancellations, an attempt will be made to call the phone number available on record. Phone numbers and emails can be updated at any time through the Program/Event Registration System when you visit your online profile on our website at gsep.org.

OUT-OF-COUNCIL REGISTRATIONS Girls in our neighboring councils are welcome to register for our programs. Email memberservices@gsep.org for paperwork. Registration requests must be submitted at least 4 weeks in advance of the program date. We accept check and credit card payments.
