

REQUEST FOR CONSULTANTS AT COUNCIL OWNED SITES

Email or mail this form at least 5 weeks in advance of your request date. Once the request is received an email will be sent to you with the list of consultants and how to contact them, as well as the rules and regulations for that activity. Once you have hired a consultant, notify Michele Bement immediately and you will receive a confirmation, with the date, time, equipment rental bill and a consultant evaluation form.

If you are a Service Unit requesting consultants please fill out this form and you will then receive a call from the appropriate Camp Director who will help you through the scheduling process.

If you use your own consultant please fill out this form. All consultants must be pre-approved by the Council and you will also need to pay the equipment fee.
