SCHOLARSHIP COMMON APPLICATION

All scholarships require the Scholarship Common Application. The Scholarship Common Application only needs to be completed once, and it will auto-fill for any additional scholarships you apply for.

CRITERIA FOR SUBMITTING REFERENCES

All scholarships require at least two references. Depending on the individual scholarship's reference criteria and how many scholarship you are applying for, you may need to submit more than two references. You can use the same reference for multiple applications as long as it meets the requirements of each one. All references must be submitted using the Scholarship Common Application.

Criteria for Submitting References

References are required for every scholarship application. Please request references from people who can write on your behalf in relation to the scholarship. References must be written by adults not related to the applicant.

Each scholarship requires at least two references. Please check each individual scholarship application for specific reference criteria. References may be used for multiple applications if it meets that specific scholarship criteria.

Applicants will provide the contact information of the person writing the reference. This person will be sent a link to complete the reference questions. They do not need to create an account in order to complete the reference. The reference must be completed before the January 15 deadline in order for the scholarship application to be submitted.
