

For nearly two decades, we've honored women from our community at our annual *Take the Lead* event. Women who inspire others around them to do amazing things and make amazing things happen.

These women have shared, and continue to share, their passion and time to inspire girls from eastern Pennsylvania to discover amazing things about themselves that they will carry towards future success—something that's all their own to share with the world.

PAST LEHIGH VALLEY TAKE THE LEAD HONOREES
