

Calling All GIRL BOSSES

A year-long program empowering girls in Philadelphia to lead the change they want to see in their neighborhoods.

Girls have boundless potential to drive positive change in their communities.

Let's provide them with the opportunity, support, safety, skills, and adult guidance they need to turn their visions into reality.

Calling All Girl Bosses was developed by Girl Scouts of Eastern Pennsylvania (GSEP) as a blueprint to give Philadelphia girls in grades 6-12 the skills they need to identify a community problem and Take Action to find a solution. Driven by passion, determination, and a desire to make the world a better place, girls will discover their agency to make real sustainable changes in their neighborhoods while working towards the highest awards in Girl Scouting.
