## Our Vision

At Girl Scouts of Eastern Pennsylvania, we strive to provide camps and programs that build girls' leadership, confidence, independence, and community. Our camps are committed to providing opportunities for girls from all nine counties in our council, creating and connecting a diverse community that helps campers unlock their potential and discover the world, while developing life skills and making memories that last a lifetime. GSEP girls are **G.I.R.L.s** (**Go-getters, Innovators, Risk-Takers, and Leaders**).

## Our Program Philosophy

We believe everything that happens at camp is part of the camp experience. Our campers have wonderful adventures. They try new things, build confidence, and make new friends. They also spend time away from their families in a new environment, both through our day camps and overnight at our resident camps. During this time, they learn to be part of a community, to make decisions together, to take responsibility for their actions and their surroundings. They participate in “kapers” to keep camp areas clean and organized, share responsibilities at camp cookouts, and support each other through new challenges.

In our safe and supportive environment, girls become active participants in the learning process.

## Why Camp is Important

A recent survey conducted through the advocacy of our friends at the American Camp Association, of which we are a member organization, finds that camps build necessary skills to prepare campers to assume roles as successful adults. Parents, campers, and camp staff independently reported growth in areas such as self-confidence, independence, making friends, exploring, and learning new activities. Summer camp is not only tremendously fun, but it is vitally important. Here are just a few reasons why:

- **At camp, girls get a close-up look at the compassionate leadership practiced by our camp staff. And girls get loads of opportunities to practice being a leader by voicing their feelings, making individual choices, and negotiating group decision-making.**
- **Campers develop a sense of security and self-confidence that will help them develop a strong sense of self, form healthy relationships, take risks and learn from mistakes.**
- **Camp embraces the natural environment and allows girls to unplug from their busy lives and experience the outdoors.**

## A Note About Safety

Nothing is more important than the emotional and physical safety of our campers. Our programs are designed to allow campers to take healthy risks in a safe and nurturing environment. Our enthusiastic staff receive extensive training before camp and are chosen for their maturity, energy, and ability to be positive role models for your girl. All of our camps have received ACA Accreditation so rest assured that we've undergone a thorough review of operations—from staff qualifications and training to emergency management.

Every summer, we ask the experts (the campers!) how they feel about their camp experience. Then, we work hard to make sure the next year is even better. Here's a snapshot of how our campers rated their experience in 2019:

said they made a friend at camp

would recommend camp to a friend

would like to come to camp again next summer

said they "liked" or "loved" the camp program they attended this summer

Then, we ask their parents what they thought. Here's what some of them had to say:

This was a wonderful experience for my daughter, and she can't wait to go again next summer!

Wood Haven Parent

My daughter is safe and respected at GSEP camp, and it's a great confidence booster for her to be with all girls every summer. Counselors are friendly and positive, and the director/leaders are communicative and helpful.

Shelly Ridge Parent

Exactly what our girls need right now, a place to be strong and supported, independent but cared about, while soaking up nature.

Laughing Waters Parent

Great atmosphere, lots of outdoor time, friendly and supportive environment, plus opportunities to learn new things and make new friends.

Valley Forge Parent

My daughter LOVED camp! We are so grateful to have such an awesome camp program so close to home! I cannot say enough about what a great experience it was this summer. She can't wait to go back!

Mountain House Parent

It's the best! Our daughter has been going to Mosey Wood since she was 6 (she's 12). She loves the rituals, activities, and people. We love that she has to problem-solve away from us, building confidence and an appreciation for meeting new people. Mosey Wood itself is just kind of magical! You can't beat the affordability compared to other overnight camps.

Mosey Wood Parent
