

welcome to Camp Shelly Ridge

Dear Parents & Guardians,

Thank you for registering your camper for Camp Shelly Ridge, part of the Girl Scouts of Eastern Pennsylvania. A resident camp summer adventure like no other is just around the corner for your camper. Nowhere else can a girl experience and explore as much fun, challenge, and excitement in the outdoors as they can at Girl Scout Camp!

At Camp Shelly Ridge, along with their chosen theme, campers will experience daily swims (weather permitting), STEM based activities and (grade dependent) opportunities to challenge themselves on our climbing wall or low ropes course, perfect their archery aim and enjoy traditional and non-traditional sports activities in our indoor activity center.

The campers will expand their leadership skills through many activities including:

Journey & Badge Activities — Our programs are written with a badge in mind. All of our campers will participate in leadership activities. These activities are aimed at giving our girls the benefits of the Girl Scout Leadership Experience.

Girl Planning — each program is set up so the girls have input into what activities they will participate in. They help their counselors plan activities for their schedule and decide a menu for their cookout.

While it may look a little different, we are looking forward to a fun and exciting summer. Please visit our website for the most up to date GSEP Camp COVID-19 guidelines: gsep.org/camps or gsep.org/covid-info-camp

See you at camp!

CAMP SHELLY RIDGE BAND!

We will be using a Social Media platform called BAND to help us all stay connect.

This is an online platform for our community to share information, ask questions, get information from camp, and see pictures from camp. We'll make sure to post updates at least once each session. This is a private forum, only accessible to caregivers of Camp Shelly Ridge campers.

Transportation Policies & Procedures

BUS

Campers may ride the bus to and from camp for an additional \$75 a week. Bus fare is not included in camp fee. Register for Shelly Ridge Day Camp Bus via your MYGS account.

NOTE: Be prepared to wait up to 30 minutes for the bus to arrive. Traffic and weather can affect times. If your camper misses the bus, you will be responsible for her travel to camp.

Please choose one bus stop where your camper will get on and off. It is important you choose only one stop for safety reasons. We will not add bus stops, and neither bus drivers nor parents have the authority to alter routes.

If you know your camper will not be taking the bus home or to camp and she usually does, please call the Camp Director. Buses will not be held.

If the safety of your bus stop is a concern, call the camp office.

NOTE: If you miss an afternoon bus drop-off, your camper will not be left at the stop. The bus will wait a few minutes, but in order to maintain a schedule, the bus will need to move on after a few minutes. If you miss the drop-off, you can either meet your camper at another stop or your camper will be taken back to the bus depot where you may pick her up. We are committed to leaving no child alone at a bus stop waiting for their parents or guardians to arrive.

General Information

VISITOR AND CAMP TOURS

The safety of our campers and staff is our first priority. We care about your camper's safety and want to ensure she is well cared for and protected. As such, we follow the below procedures:

- All visitors must be pre-approved by the Camp Director. Please come to the Activity Center. Remain outside on the porch and a staff member will greet you.
- All staff persons on site have current background checks, child abuse checks, FBI fingerprint checks, and sex offender checks.
- Camp tours are limited during the summer to protect the campers. If you would like a tour of camp, please consider attending an Open House.

STANDARDS OF BEHAVIOR

Camp life is an opportunity for girls to live and work cooperatively with adults and girls of their own age. Campers are expected to actively participate in all camp activities. The staff will do everything they can to help each girl adjust to her new environment. However, girls who exhibit unsuitable behavior will not be permitted to remain at camp. Unsuitable behavior includes, but is not limited to:

- consistent non-participation in activities
- uncooperative behavior

Any camper who displays unsuitable behavior will have a conference with the Camp Director. The Camp Director will notify the family and discuss the situation with them. The Camp Director may request that your camper leave camp due to the exhibited unsuitable behavior. The parents/guardians will be responsible for the immediate departure of their camper from camp. There is no refund in this case.

MASK USE

Decisions on mask use at camp will be made based on current CDC and ACA guidelines and COVID-19 conditions prior to the start of camp in June 2022.

HOW TO DRESS AT CAMP

There is no need to send your child to camp dressed in new clothes! We all wear comfortable clothes in which we can play games, hike, and get dirty or whatever the day calls for. The camp environment is wooded. Although the trails are cleared and well-maintained, there are plants and insects that can irritate young skin. Put your camper's name on all of her clothes, towels, and other belongings.

NOTE: For safety reasons, everyone at camp must wear socks at all times. No open-toed, open-heeled, chucky-heeled, clog or croc type of shoes or sandals allowed. No spaghetti straps, midriffs, or halter-tops.

UNIT RESPONSIBILITIES AT CAMP

Girls participate in Kapers, which are similar to chores or jobs, as part of the group experience. Kapers are completed once a day, by everyone. Example of kapers: help sweep the activity center, sweep the pavilions, help raise and lower the flag, or help collect litter and lost & found to help camp look its best.

LOST & FOUND

Girl Scouts of Eastern Pennsylvania is not responsible for lost, stolen, or damaged belongings. Before your camper leaves camp she will have an opportunity to claim missing items that have been collected in “Lost and Found.” Lost and found items are kept at camp for one week, and then donated to a local agency. GSEP cannot store these items, so please label all belongings.

SWIMMING

We hope that all of our campers will want to swim at camp. The ability to swim is an important skill and helps your camper cool off. Every child will have an opportunity to swim once a day, as the weather permits. Activities are facilitated daily with time for free swim as well. We want your camper to have fun in a safe program. Each camper will be swim-tested on arrival day so that she can be placed in a swim class according to her abilities and a color-coded wristband will be issued to her. Please have your camper wear her swimsuit to camp every morning, under her regular clothing. Make sure your camper packs underwear to change into.

TELEPHONE

Campers may not receive phone calls at camp. Please feel free to contact the Girl Scout Office while your child is at camp if you have any questions or concerns or if any emergencies arise at home. We can be reached at 215.710.1009.

TICKS

Whether in your back yard or at camp, we feel it is important that all our campers and their families be aware of ticks and tick related diseases. Not all ticks carry disease, but it is wise to be cautious and aware. Camp staff assists campers in taking the following precautionary actions:

- Stay in the center of paths and trails.
- Do a tick check immediately after walking through dense woods and grasses.
- Wear proper clothing.
- If a tick is found embedded in the skin, the camper reports to the counselor or Healthcare Manager for removal and treatment. The Healthcare Manager will report the incident.

Your camper may bring home more than arts & crafts—don't forget to check for ticks after you return home from camp. If you have any questions about ticks, please call the camp Healthcare Manager for more information.

HEAD LICE

Campers with head live or nits are not allowed to attend camp. Staff will complete lice checks at the pool on Mondays. If head lice or nits are found, you will be contacted and asked to pick up your camper immediately. Campers cannot return until they are nit free.

HEALTH CENTER

If a camper is feeling ill or is injured, they will visit the Health Center. Any significant illnesses or injuries will be communicated to families via phone calls. Some illnesses and injuries require outside care, camp will communicate this to the families and seek outside care.

If a camper has a fever of 100.4 or over, the family will be notified and required to pick up the camper to go home. If a camper is showing symptoms of a communicable disease, including COVID-19, the family will be notified and required to pick up the camper to go home.

ILLNESS/COVID-19 RETURN TO CAMP POLICY

A healthy camp starts at home, and we need you to help keep our camps safe. Campers who do not feel well should not come to camp! GSEP thanks you for being diligent and for your understanding as we work together to provide a safe camp season for our Girl Scouts.

If a camper shows symptoms consistent with COVID-19, she will be sent home pending the results of a COVID-19 test. Camper's families are responsible for obtaining a COVID-19 test for their camper.

- A camper who tests negative for COVID-19 may return to camp after being symptom and fever free for 24-hours, without fever reducing medication.
- A camper who tests positive will only be able to return to camp after 10 days of isolation and their symptoms have resolved.

- Staff showing symptoms will be isolated from the general camp population and have the same requirements as campers for return.

CAMPER'S ACCIDENT AND SICKNESS INSURANCE

The Girl Scout Council provides supplemental accident coverage for all participants in day camp. This is included in your camp fee. In most cases, the insurance forms will be handled by the camp and the doctor or hospital. If you have any questions regarding insurance during camp, call the Camp Director. After camp is over, please check with the Human Resources department at the Shelly Ridge office.

CURRENT MEMBERSHIP REQUIRED

Any girl wishing to attend a GSEP camp must be an active Girl Scout during the camp year.

As part of our Customer Engagement Initiative (CEI), GSEP has a membership registration system called Volunteer Systems that allows members to identify troop and volunteer opportunities quickly and easily. Dear Parents,

In our continuous efforts to provide the best possible care to our campers and staff, all Girl Scouts of Eastern Pennsylvania camps are partnering with CampDoc.com.

CampDoc.com is an electronic health record system for camps, and will help us consolidate and integrate camper health information into a centralized and secure location. Their system will give our staff, doctors and nurses instant access to camper health information, a key component in providing quality care.

The security, confidentiality and privacy of your camper's personal health information will always be protected. Only our camp's health staff will have access to camper health information, and the CampDoc.com site is secure, encrypted and password protected.

Prior to the start of the camp year, you will receive a "Welcome E-mail" from CampDoc.com with information about how to access your camper's health information.

- Click the link in this email to login. Here, you will be instructed to create an Authorized User for your campDoc account, along with a password.
- Follow the instructions, and complete the profile for your camper. Alerts will appear for any missing required information.
- Upload any required documents to your CampDoc.com account which will include your family's health insurance card and the healthcare provider form.
- Return to app.CampDoc.com at any time to make changes/updates to your camper's health information before camp begins.

Please set CampDoc.com as a 'safe sender,' to avoid accidental delivery to junk and spam folders.

Please contact the CampDoc Help Desk with any CampDoc related questions. Help Desk hours are Monday-Friday 8am-5pm EST. The Help Desk can be reached via telephone by dialing 734-636-1000 or via email at help@CampDoc.com.

We are excited to continually evolve – building safer, more productive and more efficient systems to create the best experience for you and your family.

We can't wait to see you this summer,

GSEP Girl Experience Team
