

## Welcome to Camp Shelly Ridge

Dear Parents & Guardians,

Thank you for registering your camper for Camp Shelly Ridge, a Girl Scouts of Eastern Pennsylvania camp. A summer adventure like no other is just around the corner for your camper. Nowhere else can a girl experience and explore as much fun, challenge, and excitement in the outdoors as they can at Girl Scout Camp!

At Camp Shelly Ridge, along with their chosen theme, campers will experience daily swims (weather permitting), STEM based activities, and opportunities to challenge themselves and learn new skills. Each week, depending on age, girls might summit our climbing wall, tackle the low ropes course, perfect their archery aim, and enjoy games and sports in our indoor activity center.

Campers will expand their leadership skills through many activities including:

**Badge/Patch Activities-** Our programs are written with a badge or patch in mind. Alongside traditional camp activities, campers will engage in activities throughout the week to earn the badge aligned to their program.

**Girl Planning —** Each program is designed to capture and implement girl input about activities and experiences for the week. Campers help their counselors plan activities for their schedule, decide a menu for their cookout, pick games, and more.

*See you at camp!*

## VISITOR AND CAMP TOURS

The safety of our campers and staff is our first priority. We care about your camper's safety and want to ensure she is well cared for and protected. As such, we follow the below procedures:

- All visitors must be pre-approved by the Camp Director. Visitors must remain in their vehicle until greeted by a camp staff member.
- All staff on site have current background checks, child abuse checks, FBI fingerprint checks, and sex offender checks.
- Camp tours are limited during the summer to protect the campers. If you would like a tour of camp, please consider attending an Open House.

## **CAMP SHELLY RIDGE RALLYHOOD!**

Use the link below to join the Camp Shelly Ridge Rally in Rallyhood, an online community forum for camp caregivers. In our CSR community forum, you can find the Confirmation Packet, chat with fellow camper caregivers on the message wall, and see updates directly from camp staff! This is a private forum, only accessible to caregivers of Camp Shelly Ridge campers. **To reach the Camp Director, email [CSRadmin@gsep.org](mailto:CSRadmin@gsep.org). DO NOT Direct Message the Camp Director on Rallyhood, that direct message feature is not monitored by the Camp Director.**

[Please use this link to join Camp Shelly Ridge 2026 RALLY!](#)

### **Rallyhood**

#### **What is it used for and not used for?**

##### **Rallyhood is:**

- A place for camp staff to post pictures of the great stuff happening at camp!
  - This will be done periodically throughout the week, posting at least once each session.
  - While we try to get all groups and all campers, we cannot guarantee that all campers are photographed. Additionally, some campers shy away from the camera.
- A great forum for parents and caregivers to use to ask each other questions!
- One of multiple ways that camp can communicate to parents quickly in unforeseen situations.
  - If camp is responding to a weather concern, we will post on Rallyhood
  - If something affects a large portion of camp, a post will be made.

##### **Rallyhood is NOT:**

- A direct line of communication to the camp.
  - Please call camp directly at 215-645-9651 or email [CSRadmin@gsep.org](mailto:CSRadmin@gsep.org). Emails will be answered as soon as possible. Please be aware that during camp, the camp director needs to be out and about in camp to make it a great place for your campers and, therefore, is not always immediately available.
- A forum to vent.
  - If you or your camper has a concern or comment, please deal with it directly and contact camp. Posting on Rallyhood will not help resolve the situation. We take your feedback seriously, but may not know about a concern if we are not contacted directly.

**Please just keep the Girl Scout Law in mind when on Rallyhood, we are here to be friendly and helpful to all! Thank you for being a positive influence in our camp community!**

## **Health and Safety**

Medication is stored in and administered at the health center. Emergency medications are held by counselors throughout the day. **Please read What to Bring to Camp above for more details on bringing over-the-counter and prescription medication for your camper.**

If a camper is feeling ill or is injured, they will visit the Health Center. Any significant illnesses or injuries will be communicated to families via phone calls. Some illnesses and injuries require outside care. In these cases, camp staff will communicate this to the families and seek outside care. Any time a camper is seen in the health center outside of medication administration for medications sent with the camper, an automated email will be sent from the CampDoc system, letting the caregiver know that they were seen.

### **TICKS**

Whether in your backyard or at camp, we feel it is important that all our campers and their families be aware of ticks and tick-related diseases. Not all ticks carry disease, but it is wise to be cautious and aware. Camp staff assists campers in taking the following precautionary actions:

- Stay in the center of paths and trails.
- Wear bug spray
- Do a tick check immediately after walking through dense woods and tall grass.
- Wear proper clothing
- If a tick is found embedded in the skin, the camper will report to the counselor or Healthcare Manager for removal and treatment. The Healthcare Manager will report the incident through CampDoc.

Your camper may bring home more than arts & crafts—don't forget to check for ticks after you return home from camp. If you have any questions about ticks, please call camp to speak with the Healthcare Manager for more information, 215.645.9651.

Dear Parents,

In our continuous efforts to provide the best possible care to our campers and staff, all Girl Scouts of Eastern Pennsylvania camps are partnering with **CampDoc.com**.

CampDoc.com is an electronic health record system for camps, and will help us consolidate and integrate camper health information into a centralized and secure location. Their system will give our staff, doctors and nurses instant access to camper health information, a key component in providing quality care.

The security, confidentiality and privacy of your camper's personal health information will always be protected. Only our camp's health staff will have access to camper health information, and the CampDoc.com site is secure, encrypted and password protected.

Prior to the start of the camp year, you will receive a "Welcome E-mail" from CampDoc.com with information about how to access your camper's health information.

- Click the link in this email to login. Here, you will be instructed to create an Authorized User for your CampDoc account, along with a password.
- Follow the instructions, and complete the profile for your camper. Alerts will appear for any missing required information.
- Upload any required documents to your CampDoc.com account which will include your family's health insurance card and the healthcare provider form.
- Return to [app.CampDoc.com](http://app.CampDoc.com) at any time to make changes/updates to your camper's health information before camp begins.

Please set CampDoc.com as a 'safe sender,' to avoid accidental delivery to junk and spam folders.

Please contact the CampDoc Help Desk with any CampDoc related questions. Help Desk hours are Monday-Friday 8am-5pm EST. The Help Desk can be reached via telephone by dialing 734-636-1000 or via email at [help@CampDoc.com](mailto:help@CampDoc.com).

We are excited to continually evolve – building safer, more productive and more efficient systems to create the best experience for you and your family.

We can't wait to see you this summer,

GSEP Girl Experience Team
