# It's Girl Scout Cookie Season!

Companies like yours can support Girl Scouts in their community by purchasing Cookies in bulk. The sale will be attributed to a local troop, who will keep the profit they earn to do things like renew their membership, go to Summer Camp, or travel the world!

Don't forget to look for **Girl Scout Cookie booths** in your community from **January 18–March 10**, or find a booth near you at [gsep.org/cookies](https://gsep.org/cookies).

Complete this form and someone from our team will be in touch to help you place your order with a Girl Scout troop near you!
