

Eclipse 2017

Join Nurture Nature Center for a Solar Eclipse Party! August 21st 2017 from 1-4 pm

Learn all about the eclipse and why it happens. Take a look through our telescope and learn how to safely view the eclipse.

1:00-1:30 pm – Eclipse Science on a Sphere® presentation

1:45-4:00 pm – Join us at the back of the building to view the eclipse

Partial Eclipse begins at 1:21 pm; Maximum Eclipse (Moon is closest to the center of the Sun) is at 2:44 pm; Partial Eclipse ends at 4:01 pm

Light refreshments provided. Donations appreciated. Free Eclipse Glasses while supplies last!
