

Juliette Low Seminar 2024

Each triennium, the World Association of Girl Guides & Girl Scouts hosts the Juliette Low Seminar (JLS). The Juliette Low Seminar builds friendships across borders and helps young women step outside of their comfort zones. This event is all about empowering participants with the leadership practices and mindsets they need to succeed. Join us to meet your Girl Guiding and Girl Scouting peers in a unique environment, explore how to actively tackle gender barriers to leadership, and bring about positive change for girls in your community when you return.

JLS 2024 will empower up to 500 young women (aged 18 to 30) around the world with the leadership practices, global perspectives, and a peer support network to take the lead in their lives and act on their values to bring positive social change to their world.
