

Service Unit Delegates @ a GSEP Annual Meeting

Please note:

Service Unit Delegates should be elected between April – August... because their one-year term ends at the conclusion of the Annual Meeting in May (regardless if they were elected in April or September or January....). Our Governance Year runs May-May.

What does a Service Unit Delegate actually do?

- **Attend Delegate training** (*one session*)
- **Participate in three Delegate Council meetings** (Fall, Winter, & Spring)
 - *After each meeting, you should share the information, news, and updates you heard from the Board Chair & CEO & speakers with your Service Unit. Please gather any additional input from your SU to share at the next Delegate Council meeting or by emailing governance@gsep.org*
 - *Most meetings also include a Strategy Café discussion on a governance topic impacting GS & GSEP. You will get to interact with Board members directly and other SU Delegates and Girl Delegates.*
- **Attend & participate in the Annual Meeting** (*first Saturday morning in May*)
 - *This is when Delegates vote on new Board members, etc. as well as any changes to the Bylaws.*
 - *You will also hear the Treasurer's Report (on Council finances), the CEO's State of the Council, and a governance update from the Board Chair.*
