Girl Scout Songs

You can look up many Girl Scout songs online. Have fun!

Make New Friends *A very old song, with many, many verses.*

1. Make new friends, but keep the old,
 One is silver and the other's gold.
2. A circle is round, it has no end.
 That's how long I want to be your friend.
3. A fire burns bright, it warms the heart.
 We've been friends right from the very start.

I've Got That Girl Scout Spirit *Stand up to sing this...*

1. I've got that Girl Scout Spirit up in my head,
 Up in my head, up in my head.
 I've got that Girl Scout Spirit up in my head,
 Up in my head to stay.
2. I've got that Girl Scout Spirit deep in my heart....
3. I've got that Girl Scout Spirit down in my feet....
4. I've got that Girl Scout Spirit up in my head
 Deep in my heart
 Down in my feet
 I've got that Girl Scout Spirit all over me
 All over me to stay!

Daisy Girl Scout Song *(tune: Twinkle, Twinkle Little Star)*

Daisy Girl Scouts lead the way.
See us work and see us play.
We can dance and we can sing.
We can do most anything.
We have fun and help each day.
Daisy Girl Scouts are here to stay.

Princess Pat

This is a repeat song!

1.
The Princess Pat
Light Infantry.
She sailed across
The seven seas.
She sailed across
The channel too.
And she took with her
A rig-a-bamboo

A rig-a-bamboo
Now what is that?
It's something made
By the Princess Pat
It's red and gold
And purple too.
That's why it's called
A rig-a-bamboo

2.
Now Captain Jack
Had a mighty fine crew.
He sailed across
The channel too.
But his ship sank
And yours will too
If you don't take
A rig-a-bamboo

A rig-a-bamboo
Now what is that?
It's something made
By the Princess Pat
It's red and gold
And purple too.
That's why it's called
A rig-a-bamboo

Candyland Song

Ohh, Take me back to the candy land
Where the cotton candy grows, poof poof
And the little marshmallows hang from the trees
And the lollipops grow from the ground. What?
The lollipops grow from the ground. Yes!
The lollipops grow from the ground.

Kim's Game

Kim's Game is a very old game. It was named for Kim in the Rudyard Kipling stories. Kipling and Juliette Low were good friends, and the game appears in the earliest Girl Scout handbooks.

Directions

- ▶ Each girl (or each team) will need to have paper and pencil.
- ▶ Make sure all the items for the game are covered by a cloth before the girls see them.
- ▶ Uncover the items for 30 - 60 seconds so the girls can study them.
- ▶ Cover the items again and have each girl (or team) write down everything they remember.

Some Kim's Game topic suggestions:

- All the items in a First Aid kit
- Items to pack for an overnight
- Different kinds of leaves or other natural items
- Items on a topic the troop is studying for a badge or Journey

Girl Scout Traditions

Traditions have brought Girl Scouts together for over a century. Now they're your traditions, too. Here are some to enjoy!

Girl Scouts make the **Girl Scout sign** when they say the Girl Scout Promise, when they are welcomed into Girl Scouting at an investiture ceremony, or when they greet other Girl Scouts or Girl Guides. The three fingers represent the three parts of the Promise.

When you meet another Girl Scout, you can greet her with the **Girl Scout handshake**. Shake hands with your left hand and make the Girl Scout sign with your right. It's a special way to remind us that we're all sisters because we belong to Girl Scouts!

The **Girl Scout motto** is "Be Prepared." Girl Scouts learn to do things well, so they're prepared to do them the right way at the right time.

The **Girl Scout slogan** is "Do a good turn daily." This means doing something for somebody else without being asked. It is fun to brighten someone's day by doing a good turn—and when you make other people happier, they often pass it on by doing a good turn for someone else.

The **friendship circle** stands for an unbroken chain of friendship with Girl Scouts and Girl Guides around the world. Everyone stands in a circle, crosses their right arms over their left, and clasps hands with her friends on both sides. Everyone makes a silent wish as a **friendship squeeze** is passed from hand to hand.

Girl Scouts use the **quiet sign** to let people know it's time to stop talking. Someone raises her right hand high. As others see her hand in the air, they raise their right hands and stop talking, too.

Girl Scouts make a **kaper chart** to list jobs that need to be done and who will do them. You might have a kaper chart for when you get together with your Junior friends. The jobs might be getting the room ready for the meeting, getting supplies ready for an activity, and cleaning the room before leaving. You might also have a kaper chart for special Junior events, like parties or cookie booth sales.

Service Projects

Girl Scouts help out wherever they can.

Here are some Service Project ideas:

- Do a special clean-up at home, at your meeting place, in a park, or on a trail.
- Collect non-perishable food or paper products to donate to a local food bank or shelter
- Make cat or dog toys or collect pet items to donate to a local animal shelter.
- Make a cheerful poster to hold up for people driving by to bring a smile to their faces.
- Make cards for people: for people in a nursing home, or neighbors who are alone, just to cheer them up; for fire fighters or police to thank them for taking care of us... Who would like to get a card from you?

Instructions:

- Mark four, 1/4-inch (or finger-width) marks on the side of the cardboard roll.
- Use the scissors to cut each ring.
- Insert the first ring into the second ring, then continue with the third and fourth, until you've formed a ball.

3. Sunshine toy

Good day, sunshine ... cat toy. Grab a pair of scissors, and within a couple of minutes, your cat will be on the fringe. Cats love batting this around and you can even place a treat inside for extra play action!

You'll need:

- Empty cardboard TP roll.
- Scissors.

In 1984, Daisy Girl Scouts became the newest—and youngest—program, serving five-year-old girls or girls in kindergarten. After years of discussion, a variety of concerns, and many pilot programs, the Daisy Girl Scout program has proven to be a delightful experience for adults and the girls they serve.

The first Daisy uniform was a simple, practical, and attractive blue tunic that adjusted to Daisy sizes with waist-high ties on each side. In 1993, blue shorts and a white t-shirt with daisies were added to the Daisy uniform.

The first Daisy pin, used from 1984-93, had a golden center, white daisy petals, and white letters against a bright green background. In 1993, a new, gold-colored pin shaped like a daisy replaced it.

Juliette Gordon Low

(Oct. 31, 1860–Jan. 18, 1927)
founded the Girl Scouts of
America in 1912. Her goal was
to teach young girls to be
self reliant and productive in
the world outside of
their homes.
