Notes from Kim

Dear Girl Scout Families and Friends,

Summer camp is where adventure and discovery meet. For Girl Scouts in Eastern Pennsylvania, camp is more than a getaway; it's a place where more than 3,000 girls try new things, build confidence, and return home changed in the best ways.

Each of our camp properties offers something unique. At **Camp Mosey Wood**, girls soar on the zip line, paddle across Mosey Wood Pond, and explore the Pocono trails. **Camp Wood Haven** combines horseback riding with creativity, leadership, and unique sleeping units just a few steps away from the Appalachian Trail. **Camp Shelly Ridge** with more than 100 acres of untouched forest in the Wissahickon offers a wonderful activity center, art barn, and pool. Located on 17 beautiful acres on South Mountain with a brand new Activity Center, **Camp Mountain House** is where girls blend outdoor skills with friendship and fun!

The journey continues at **Camp Laughing Waters**, where archery, swimming, wide-open fields and majestic Swamp Creek invite big adventures. And **Camp Valley Forge** pairs history and nature with exciting hands-on activities and an incredible Art Room.

What sets Girl Scout camp apart is more than the activities, it's the environment. Our camps are safe, all-girl spaces where girls feel free to be themselves, disconnect from their devices, and find community. Without the pressure of screens and social media, they can unplug, recharge, and focus on what really matters: friendship, fresh air, and the thrill of trying something new.

No matter where girls choose to go, camp offers endless ways to grow. Girls earn badges, test new skills, and stretch beyond their comfort zones. Girls might cook their first meals over a fire, navigate canoes, or dive into science, arts, or leadership. Their paths may differ, but the outcomes are the same - campers return home brimming with courage, friendship, and stories they'll carry for a lifetime.

This summer, let camp be the place where your girl discovers just how strong, curious, and capable she is. We can't wait to welcome her.

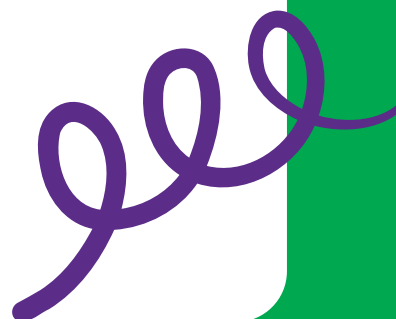

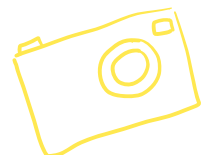

Yours in Girl Scouting,

Kim E. Fraites-Dow
Chief Executive Officer
Girl Scouts of Eastern Pennsylvania

*No screens.
No pressure.
Just fresh air, fun,
and friendship!*

Welcome to Girl Scout Camp!

Camp is more than fun - it's an experience that helps girls grow into their best selves. Attending a thoughtful and well-designed Girl Scout summer camp gives girls something few other places can.

Builds a strong sense of self

Campers set goals, make decisions, and discover their strengths, gaining confidence and independence while enjoying the freedom to be their authentic selves.

Reinforces positive values

Counselors model honesty, responsibility, and empowerment, showing campers what strong leadership looks like.

Encourages seeking challenges

Campers try new things, take healthy risks, and feel proud of their accomplishments—building resilience, perseverance, and courage.

Creates healthy relationships

Living and learning together fosters friendship, teamwork, and leadership as girls practice communication, compromise, and collaboration.

Community problem solving

Meeting new people broadens girls' perspectives, inspiring empathy, understanding, and a desire to make a difference.

"I tell other parents how much fun the girls have and how much it encourages independence. They make friends and try new things in a safe, supportive environment while making friends with girls they may never otherwise have met. Camps also provide opportunities to access activities that we may not have at home. I recommend camp to every Girl Scout family I talk to."

—Camp Wood Haven Parent

Our Program Philosophy

Camp amplifies the impact of Girl Scouts and is intentionally designed to help girls grow - emotionally, socially and personally.

Intentional, age-appropriate programming.

Activities are designed to match each camper's developmental stage — challenging, achievable, and fun.

A supportive, noncompetitive environment.

Camp is a place without judgment, where teamwork, friendship, and growth matter more than winning.

A tech-free space.

Without screens, girls reconnect with the natural world and each other, learning to focus, listen, and truly engage.

Safe challenges and new experiences.

Whether it's climbing a wall, paddling a canoe, or performing at campfire, campers take healthy risks that build confidence and perseverance.

Girl-led opportunities.

Campers make real choices, lead activities, and practice taking chances gaining independence and leadership skills in the process.

An inclusive, diverse community.

Guided by positive role models and shared values, Camp brings together girls from all backgrounds, helping them learn empathy, celebrate differences, and create communities that reflect the world around them.

Learning through experience.

Through hands-on activities and teachable moments, campers learn cooperation, decision-making, responsibility, and initiative.

Safety

Nothing is more important than the emotional and physical safety of our campers. Girl Scouts of Eastern Pennsylvania has **run summer camps for over 85 years**, always prioritizing safety for campers and staff.

GSEP camp staff receive extensive training on safety protocols and procedures, first aid, mental health and wellness, crisis management and effective child supervision and support.

Our camp properties are maintained and evaluated year-round to ensure our equipment, structures and overall property meet our **high standards for safety** and upkeep.

Additionally, **we are proud to be accredited by the American Camp Association (ACA)** at all of our camp locations, meeting their extensive safety and program expectations. Our commitment to health and safety is woven into every aspect of our camps.

To learn more about our safety and emergency procedures visit **www.gsep.org/camp**

The best camps are American Camp Association (ACA) accredited. ACA accreditation shows a commitment to high quality programs, safety standards, and best business practices.

Shop at the Trading Post

The Trading Post (TP) is your headquarters for camp swag, last minute camp needs, and fun stuff too! Campers practice the financial skills they've learned—budgeting, comparison shopping, and more! Here's everything you need to know for shopping at the Trading Posts during camp.

Day Camps

Day campers visit the Trading Post once a week. Counselors send home a flyer on Mondays with what's available and directions for sending money with your camper. Day campers can use cash, Cookie Dough or GSEP Program Credits, or Gift Certificates for their purchases.

Overnight Camps

Overnight campers visit the TP at least once during the camp week and must make TP Deposits for purchases made Monday–Thursday. All TP Deposits should be made in myGS or our shops at least two weeks in advance of your camp start date.

- Deposits travel with your camper across weeks or camps! There's no need to pick your camp week when making your deposit in myGS.
- At pickup, campers are informed of their available balance. You can visit the Trading Post during pickup to use up your balance.
- Deposits are not refundable. When summer ends, we'll email you with your available balance and give you some options for using it.
- Any Trading Post Deposit account that does not have a purchase for two membership years will be closed and monies available will be moved to a fund for campers without deposits.

The Trading Post is also open during drop-off and pick-up for families to shop together. Our staff will not be able to answer your questions during drop-off; please send any questions you may have to memberservices@gsep.org with the subject line "Trading Post."

How-To

Use Cookie Dough or GSEP Program Credits at the Trading Post:

- **Day Campers**—send a note instead of cash with the amount to spend. The TP staff will apply the credits to the purchase.
- **Overnight Campers**—use Program Credits to purchase your TP Deposit in myGS. This reserves an "allowance" of Cookie Dough or GSEP Program Credits to be used at camp only; Cookie Dough or GSEP Program Credits expiration dates apply.

Use your Trading Post balance from last year:

You don't have to do anything! Your balance is still available.

Use Trading Post Deposits at Day Camps:

Indicate on your envelope that your camper has a TP Deposit. Our staff will confirm and apply the TP Deposit to the purchase.

Use a Gift Certificate from previous years for a TP Deposit:

Visit a shop or email shop@gsep.org with the subject "Gift Certificate for Trading Post." Please include a picture of the Gift Certificate or the GC number found in the lower right corner of the certificate.
