# Notes from Kim

Hello Girl Scouts!

Remember how much fun it is to giggle with friends, be curious, and try new things? Remember what it's like to be confident and use your courage to step outside your comfort zone?

Well, the time is NOW to press play on your Girl Scout year of fun and adventure!

After almost two years of social distancing and taking proper precautions, we're starting to come back together for in-person activities and reintroducing in-person troop meetings (while still offering virtual options, too). If the past 18+ months have shown us anything, it's that you are strong and resilient. We know that you can do anything you set your mind to!

We realize this transition is not as simple as flipping a switch. We've been through a lot. It's important to be kind to yourselves and others, practice self-care, and reach out to check-in on your sister Girl Scouts.

You should feel confident that GSEP will continue to adhere to all guidelines and protocols as we kickoff this year and camp season... your safety and well-being is our number one priority. We can't wait for you to come to one (or more!) of our seven camps to challenge yourself on the climbing wall; chart your map on one of our trails; journal the wildlife, plants, and stars, and explore other wonders of the outdoors; or simply hang out with the best Girl Scout sisters in the world. Whatever it is that you want to try, we have something for you in this Camp and Program guide. With hundreds of terrific sessions to help you find the perfect match, it's time to make memories that will last a lifetime.

Be sure to make a note of when we're having our Camp Open Houses and Information Sessions, which are listed by location throughout this book. It's the best opportunity to learn more about this year's amazing Camp adventures and meet our Camp Directors. Each of our three-day camps and four-resident camps have something unique and challenging to offer.

In our Program Guide, you'll find new events blooming this spring along with traditional favorites - exciting Girl Scout activities for all ages and grade levels.

Let's Adventure Together.

Yours in Girl Scouting,

## Our Vision

At Girl Scouts of Eastern Pennsylvania, we strive to provide camps and programs that build girls' leadership, confidence, independence, and community. Our camps are committed to providing opportunities for girls from all nine counties in our council, creating and connecting a diverse community that helps campers unlock their potential and discover the world, while developing life skills and making memories and friendships that last a lifetime.

## Our Program Philosophy

We believe everything that happens at camp is part of the camp experience. Our campers have wonderful adventures. They try new things, build confidence, and make new friends. They also spend time away from their families in a new environment, both through our day camps and overnight at our resident camps. During this time, they learn to be part of a community, to make decisions together, to take responsibility for their actions and their surroundings. They participate in "kapers" to keep camp areas clean and organized, share responsibilities at camp cookouts, and support each other through new challenges.

In our safe and supportive environment, girls become active participants in the learning process.

*The best camps are ACA accredited, just like all GSEP camps!*

*American Camp Association accreditation shows a commitment to high quality programs, safety standards, and best business practices. To learn more about ACA visit, [acacamps.org](http://acacamps.org).*

## Why Camp is Important

A recent survey conducted through the advocacy of our friends at the American Camp Association, of which we are a member organization, finds that camps build necessary skills to prepare campers to assume roles as successful adults. Parents, campers, and camp staff independently reported growth in areas such as self-confidence, independence, making friends, exploring, and learning new activities. Summer camp is not only tremendously fun, but it is vitally important. Here are just a few reasons why:

- At camp, girls get a close-up look at the compassionate leadership practiced by our camp staff. And girls get loads of opportunities to practice being a leader by voicing their feelings, making individual choices, and negotiating group decision-making.
- Campers develop a sense of security and self-confidence that will help them develop a strong sense of self, form healthy relationships, take risks and learn from mistakes.
- Camp embraces the natural environment and allows girls to unplug from their busy lives and experience the outdoors.

## A Note About Safety

Nothing is more important than the emotional and physical safety of our campers. Our programs are designed to allow campers to take healthy risks in a safe and nurturing environment. Our enthusiastic staff receive extensive training before camp and are chosen for their maturity, energy, and ability to be positive role models for your girl. All of our camps have received ACA Accreditation. This year health and safety is at the forefront of our planning. After a one summer shift to only virtual camp opportunities in 2020, GSEP served over 3000 Girl Scouts with in-person summer camps in 2021. We remain committed to following the most up-to-date COVID-19 guidance and will communicate specific plans for summer 2022 as we get closer to the start of camp.

## What do our campers have to say about their experiences?

How has  
camp impacted  
your life?

- *Camp has become the place where I always long to be. I have gained so much confidence and really grown as a leader. This place is home and it's always sad to leave.*
- *I feel like camp is a home away from home for me. I love coming here so much and it means so much to me.*
- *Camp has helped me learn how to be more responsible, brave, and kind. This helps me with everything else I do in life.*
- *Camp has impacted my life because it has taught me to step out of my comfort zone when I'm scared to try new things. It has also taught me that it's okay to be myself and that I don't need to hide my personality from others.*

What was your favorite part about camp?

- *My favorite part of camp was making friends and having such supportive staff/counselors. Also, the zip line is awesome.*
- *Getting to meet the different horses and see their individual personalities.*
- *I really enjoyed camp because the counselors were helpful and super kind. I loved all the activities including boating, high ropes course, and swimming. I loved that I got to be around other people that like Harry Potter as much as I do. The overall experience was awesome!*
- *I love the environment/atmosphere at camp. Everyone is so supportive and kind, making you feel like it is a place where you can be yourself. I also love how many different activities there are, allowing campers to find things they are more interested in.*

## Why do parents send their daughters to Girl Scout summer camp?

- *My daughter learned so much independence and had so much fun filled and packed experiences in the outdoors. Absolutely loved she spent the whole time outside exploring new activities!*
- *Girl Scout camps are the best! My daughter has attended three summers in a row (except for 2020, of course), and has loved it every time. Great counselors, great activities, great girls--no drama allowed, and they keep the Girl Scout mission at the heart of all they do.*
- *My daughter was very nervous about going to camp. She is 11 and this was the first time she has gone away to camp and the first time she has been away without a way to call home. She had a blast! While she was ready to come home after a week, she can't wait to go again next summer. The staff was helpful and friendly. A WONDERFUL 1st experience with sleep away camp.*
- *GS camp was a chance to have an active and healthy routine and a break from technology. My daughter did not take a buddy to camp and I think this is best for being free and open to create new friendships. Our experience was overwhelmingly positive and we plan to return next year.*
- *Camp provided feelings of joy, happiness, and bliss this summer. I am grateful for the total sense of inclusion and belonging and very grateful for the diversity of co-campers this summer. It's been a very meaningful summer at wood haven that I think may alter future summers, my kiddo now dreams of working at GSEP summer camp.*

Scroll through the Events list to find your session's registration link, or go to the Event Calendar and click on the camp property and week that interests you to get to all of the registration links for that week. Have multiple Girl Scouts in your family? No problem! You can go back to the list or calendar to find the registration links and keep adding sessions (for each Girl Scout) to your shopping cart so you can complete it all in one transaction. GSEP will be posting some "How To" videos on the website to help as well.

## Registration Deadlines

Registrations are accepted until the camp session is full or one week prior to the session start date, whichever comes first. If registration closes on a Saturday or Sunday, you should expect the confirmation the following Monday. Camp session capacity and space availability can be viewed online. Badges and patches will only be given out to girls who are in attendance.

## Payment

A \$50 non-refundable deposit is required to secure your girl's spot. Payment is due in full four weeks prior to the camp start date. To use Cookie Adventure credits as payment please contact Member Services at [memberservices@gsep.org](mailto:memberservices@gsep.org) (include the subject heading: Adventure Credits for Camp), after you complete the registration process and place your deposit.

## Financial Assistance for Camp

GSEP is committed to making sure that camp is accessible to all of our Girl Scouts. Families requesting camp financial assistance still need to register for a camp session and pay the \$50.00 deposit. ## Older Girl Interest Patrol Spotlight for Spring 2022

The Mean Green Canoe Team is a flat water racing canoe team that meets during the months of March, April, and May on the Schuylkill River in Limerick. This experience culminates with a trip to compete in the General Clinton Canoe Regatta over Memorial Day Weekend. 2022 will be the team's 45th season. It begins with an organizational meeting on the first Tuesday of March and ends on Memorial Day Weekend at the Regatta in Bainbridge, NY.

The only prerequisites, aside from being in grade 7 or above, are a willingness to learn and a commitment to attending all sessions (one pool practice on 3/6, one overnight on 3/11-12, and every Sunday afternoon thereafter except for Easter Sunday). Even if you have never been in a canoe or are not a strong swimmer, you are welcome to join the team, as everyone wears a life jacket. Enthusiasm and commitment are much more important.

The team membership fee is currently \$110, and it covers all expenses for the season except for the entry fee for a local race and some meals during our trip over Memorial Day weekend.

At weekly practice on the Schuylkill River in Limerick, you will be taught everything you need to know about flat water canoe racing (a little different from recreational canoeing).

On Memorial Day we travel to Brainbridge, NY for the General Clinton Canoe Regatta. Transportation, which is provided, and most meals are covered by the team fee.

If this description has piqued your interest and you would like to get more information, please contact Barbara Curtin at 610-896-7365 or [curtinbarb@aol.com](mailto:curtinbarb@aol.com).

# GSEP Staff & Partner-led Programs

GSEP Spring 2022

Registration opens December 15, through your MyGS Account

# GS Events Tips and Tricks

Check out the event tab in your MyGS Account for all important event details.

## 1. Use our council event calendar or event list on [www.gsep.org](http://www.gsep.org) for direct links to registration.

You can find our event calendar by going to [www.gsep.org](http://www.gsep.org)> Events> Event Calendar and clicking on the event and then the green title to register!

Additionally, you can find events using our event listing by going to [www.gsep.org](http://www.gsep.org)> Events> Event List. Then, find the event you are looking for and click on the green title to register!

## 2. When using the events search feature in GS Events, always use the zip code associated with the location where the program is taking place.

Why? The search feature within gsEvents is based off of the zip code associated with the location of the event (even virtual events have a zip code – see \*note below). If you search using YOUR zip code, your search will result in programs only around you, causing you to miss out on opportunities that may interest you!

For example, say an event is happening at Camp Mosey Wood and you input YOUR zip code to search - if you live farther than 90 miles from camp, you will not be able to see that event when you search for an event within gsEvents.

\*Virtual Events use the zip code of our Shelly Ridge Service Center- 19444

### Events hosted at our camp locations will be associated with the zip code for the camp address

Laughing Waters 19525	Shelly Ridge 19444
Mosey Wood 18661	Wood Haven 17963
Mountain House 18103	Valley Forge 19481

## 3. Event registration screen not allowing you to complete your purchase?

Don't forget that you must ALWAYS check the box on the right-hand side of the screen to accept the Girl Scout Promise and Law - every time you submit an event registration!

## 4. Events Offered by Other Councils

If you live within 90 miles of another Girl Scout council, you may see events offered by other councils if you do a zip code event search. If that council is inviting members from outside their council to participate, you are very welcome to register and participate! You can select “view only events in my council” when you search for events in MyGS to see only Girl Scouts of Eastern PA events.

## 5. Register for multiple events at once!

GS Events allows you to add multiple events to your cart and check out all at once! Simply find the events you would like to register for and individually add them to your cart. Then, when you are done adding events, go back to your cart and checkout!

### Optional search parameters:

**Keyword** – we recommend using quotes around your keyword, which will only return events with the quoted words.

**Date range** – you can list the same date in both range text boxes if you are searching for an event on a specific date.

**Event focus** – this search filter allows you to quickly find the specific type of event you're looking for (ex: Highest Awards)

**Grade level** – this parameter will limit your search results to those that match the grade(s) selected.
