Congratulates the 2022 Take the Lead Honorees and proudly supports Girl Scouts of Eastern Pennsylvania

Dear Friends of Girl Scouting,

As we gather for the Girl Scouts of Eastern Pennsylvania’s 27th Annual “Take the Lead” event, there’s a feeling of emerging from the shadows back into the light. With the shutdowns and incalculable losses of COVID hopefully behind us, it feels wonderful to be able to celebrate our girls’ accomplishments “live and in person” again, and to share with you, our valued supporters and champions, the opportunities that exist for you to help further our work.

The four honorees at this year’s fundraiser represent a breathtaking array of talent, inspiration, and achievement that make them, among other things, ideal role models. We can’t wait for you to meet them, and hear from four exceptional Girl Scouts just what they learned spending time with each of these remarkable honorees. They are women whose careers are marked not just by success, but by commitment, integrity, and service to others.

Meanwhile, whether it be the challenges of the pandemic or the struggles of those seeking social justice, we’ve learned over the last couple of years that our world can be a daunting place.

Yet when you spend time, as we do, with the young women for whom the Girl Scouts is a place of friendship, learning, bright futures, and unlimited potential..you realize that our world is, on the contrary, a place of shining possibilities.

We offer enormous, heartfelt thanks to all our supporters past, present, and future. Please know that, whichever skill-enhancing, character-building, or just plain fun Girl Scouts program, activity, initiative, or event your funding is applied to – yes, including camping! – your dollars are supporting the mission of building girls of courage, confidence, and character. Girls who are making the world a better place.

As, indeed, are you.

Warmly,

Dear Friends,

There are many reasons why we, as Co-Chairs of the 2022 Take the Lead are thrilled to have you at the event this year. This event gives us the chance to demonstrate the benefits of participation in Girl Scouts really are for every girl – from every community in Berks County.

Girl Scouts has always been about giving all girls a level playing field – a common soil in which they can take root, grow, thrive, flourish, and bloom into young women of purpose and leadership.

At Girl Scouts, every girl belongs.

Whichever way you choose to underwrite Girl Scouts of Eastern Pennsylvania (GSEP)'s work, and in whatever amount, you are making it possible for GSEP to remove economic barriers for so many girls right here, right now. With your investment, we can provide aid for deserving girls who could not otherwise afford the amazing experiences she will have in Girl Scouts. GSEP maintains more than 1,000 acres of beautiful camp properties, provides transportation to and from summer camp, recruits and trains qualified troop leaders, offers uniform vouchers to girls in need, provides enriching programming that cultivates life skills, and even supplies scholarships to girls to pursue higher education and alternative education paths.

As investors, philanthropists, and leaders, we know a vitally important cause, and funding well spent, when we see them. And your support of Girl Scouts of Eastern Pennsylvania represents both those things, in spades.

Please listen closely to the heartening words you'll hear tonight, and to the wonderful girls you will meet. Each of them is representative of the growth and the achievements of which every girl in our region is deserving. With your help, they will have it.

Sincerely,

Susan Fromm

Chorus Closing Song

"Make New Friends"

Traditional Girl Scout Song

Make new friends, but keep the old.
One is silver, the other is gold.

A circle is round, it has no end.
That's how long, I want to be your friend.

A fire burns bright, it warms the heart.
We've been friends, from the very start.

You have one hand, I have the other.
Put them together, we have each other.
