Hi Girl Scout Families and Volunteers!

We're excited to share more details about the new Amazon Voucher Cookie Reward!

We've heard that some of you have questions about what girls can purchase with the voucher, so we've created a flyer to make things clear and to support Girl Scouts as they set their cookie goals this season.

This also reinforces one of our favorite parts of the Cookie Program: it's entirely girl-led. The Amazon voucher gives girls even more choice and flexibility, empowering them to celebrate their achievements in a way that's meaningful to them.

We hope this helps every Girl Scout feel confident and inspired as she works toward her goals.

If you have any additional questions, please don't hesitate to reach out—we're here to support you every step of the way! Thank you for all you do, and happy cookie season!
